ACKNOWLEDGEMENT

The most redeeming part of writing any report is the freedom of expressing gratitude to all the people who have supported along the way. This study was successfully completed due to the efforts and involvement of various individuals at different stages.

First of all, I would like to extend my gratitude to Prof. M.K. Sharma, Dean, Faculty of Commerce and Management, The IIS University, Dr Roopam Kothari HOD Management, The IIS University; for their invaluable contribution in making of this thesis. I would like to thank my supervisor Dr. Kavya Saini, Associate Professor IIIM, Jaipur for being the guiding light and providing constructive comments and suggestions from time to time during the course of the study. Without her positive reinforcements, motivations and supervision, the study would never have been able to take shape.

I would like to recognize the members of IIS University who have all contributed to every step of the progress that I have made. Dr. Ashok Gupta, Vice Chancellor, IIS University; Dr. Raakhi Gupta, Rector & Registrar; IIS University and Prof. K.S. Sharma, Advisor; The IIS University for providing me with excellent infrastructure and conducive environment to work on my thesis and also for providing me a platform resolve the issues/queries.

The thesis would not have come to a successful completion, without the help of all the respondents including dealers and marketing staff of various cement companies. I thank them for giving me quick and kind response and for sparing valuable time for my study.
I would like to make special mention of Mr. Sunil Vyas (Consultant Management, and guest faculty at various colleges in Jodhpur), Mr. Avinash Joshi Project Manager Genpact and Mrs. Abhilasha Vyas Assistant Professor (Computer Science) GD Goenka University who helped me at each and every stage of my research study by their valuable suggestions.

I would like to express my sincerest gratitude to all my family members who backed me up with their overwhelming support and blessings., My very special thanks to my Mother, Father and Mother in Law and Father in Law without whose blessing and selfless support and cooperation this research journey would be difficult task.

My heartfelt thanks to my husband Mr. Rahul Purohit (Deputy Manager, Sales &Marketing Binani Cement) for his incandescent guidance and exceptional support. I wish to acknowledge the help provided by him at every stage of the study, From data collection up until the conclusion of the study, he has helped me understand the cement industry in a way nobody else could have.

Last but not the least my little daughter Dakshita whose show of compassion throughout my study made my journey a cakewalk.
