### INTRODUCTION

1.1 Importance of Agriculture
1.2 Importance of Rubber Industry
1.3 Implications of rubber industry on Indian economy
1.4 History of Natural Rubber
1.5 World natural rubber production Scenario
1.6 Indian natural rubber production scenario
1.7 Soil and climatic conditions for cultivation of natural rubber
1.8 Natural Rubber Production in Kerala
1.9 Collection of Natural Rubber
1.11 Various forms of Natural Rubber
   1.1.1 Ribbed Smoked Sheets or Air dried sheets
   1.1.2 Pale Latex Crepe
   1.1.3 Technically Specified Rubber
   1.1.4 Preserved field latex and latex concentrates
1.11 Uses of rubber
1.12 Marketing of Natural Rubber in India
   1.12.1 Marketing by Small holding sector
   1.12.2 Marketing by Estates
   Institutional arrangements for the growth and development of rubber industry
1.13 Rubber Board
   1.13.1 Main functions of Rubber Board
   1.13.2 Rubber Production activities
   1.13.3 Role of Rubber Board in Non-traditional areas
1.13.2 Rubber Producers Co-operatives
1.14 Significance of the study
1.15 Objectives of the study
1.16 Hypotheses
1.17 Methodology
   1.17.1 Primary data
   1.17.2 Secondary data
1.17.3 Data Base
1.17.4 Statistical tools and techniques 21
1.18 Limitations of the study 22
1.19 Organization of the study 23

2 REVIEW OF LITERATURE 25-53
2.1 Studies related to production of natural rubber 25
2.2 Studies related to processing and marketing of natural rubber 31
2.3 Studies related to export of natural rubber 41
   Studies related to constraints in production and marketing of natural rubber 49

3 METHODOLOGY 54-79
3.1 Profile of the Study Area 54
   3.1.1 Kerala State 54
   3.1.2 Agriculture 56
   3.1.3 Natural Rubber production 56
   3.1.4 District wise area and production of rubber in Kerala 57
   3.1.5 Selection of the districts for the study 59
   3.1.6 Profile of the districts selected for study 61
   3.1.6.1 Kottayam District 61
   3.1.6.2 Ernakulam District 62
   3.1.6.3 Kasargod District 64
3.2 Research design and data source 66
   3.2.1 Number of holdings and average holdings 66
   3.2.2 Selection of samples 67
   3.2.3 Data base 68
3.3 Analytical tools and techniques 69
   3.3.1 Techniques and the means of gathering data 69
   3.3.2 Methods of data analysis 70
   3.3.3 Analytical tools used in research work 70
   3.3.3.1 Tabular Analysis 71
   3.3.3.2 Trend Analysis 71
   3.3.3.3 Time Series Analysis 72
   3.3.3.4 Compound Annual Growth Rate 72
   3.3.3.5 Co-efficient of Variation 73
   3.3.3.6 Markov Chain Analysis 74

4 PRODUCTION OF NATURAL RUBBER 80-137
4.1 Natural Rubber Cultivation

4.1.1 Agro-climatic conditions

4.1.2 Soil, Soil type, soil depth and drainage soil

4.1.3 Nursery establishment, nursery beds, poly bagged planting

4.1.4 Preparation of land

4.1.5 Terracing

4.1.6 Planting of rubber plants

4.1.7 Inter cropping

4.1.8 Pests and Diseases

4.1.9 Maintenance of rubber plants

4.1.10 Collection of latex from rubber trees

4.1.11 Processing of latex into rubber sheets

4.1.12 Smoking and smoke houses

4.1.13 Air dried sheets

4.1.14 Forms of natural rubber

4.2 Natural Rubber Production – World Scenario

4.2.1 World rubber production

4.2.2 Area under rubber plants in the world

4.2.3 Area, Production and Productivity of rubber in Thailand

4.2.4 Area, Production and Productivity of rubber in Indonesia

4.2.5 Area, Production and Productivity of rubber in Malaysia

4.2.6 Area, Production and Productivity of Natural Rubber in India

4.2.7 Production of different forms of Natural Rubber in India

4.2.8 Area, Production and Productivity of Natural Rubber in Kerala

4.2.8 a Co-efficient of Variation

4.2.9. Area, Production and Productivity of Natural Rubber in Tamil Nadu

4.2.10 Area, Production and Productivity of Natural Rubber in Karnataka

4.2.11 District wise area under Natural Rubber in Kerala

4.2.12 District wise production of Natural Rubber in Kerala

4.2.13 Area, Production and Productivity in Kottayam district

4.2.14 Area, Production and Productivity in Ernakulam district

4.2.15 Area, Production and Productivity in Kasargod district

5 MARKETING OF NATURAL RUBBER

5.1 Importance of natural rubber in world economy

5.2 Natural and Synthetic rubber production and consumption in the world

5.3 Major natural rubber consuming countries in the world
5.4 Major natural rubber exporters in the world 144
5.5 Major natural rubber importers in the world 146
5.6 Marketing of natural rubber in India 147
  5.6.1 Major trading centers of natural rubber 148
  5.6.2 India’s natural rubber exports 149
  5.6.3 Pattern of India’s different forms of natural rubber export 153
  5.6.4 Value of India’s natural rubber exports 155
  5.6.5 India’s natural rubber import 157
  5.6.6 India’s different forms of natural rubber import 160
  5.6.7 India’s natural rubber import value 163
  5.6.8 India’s natural rubber production and consumption 165
  5.6.9 India’s natural rubber import and export 168
  5.6.10 Marketing channels for natural rubber in India 170
  5.6.11 Kerala’s natural rubber export 172
5.6.12 Trends in the prices of natural rubber 174
5.6.13 Role of Rubber Producers Societies in marketing of natural rubber 178
5.6.14 Role of Rubber Board in production and marketing of natural rubber 180

6 STAKE HOLDERS IN RUBBER INDUSTRY AND THEIR RESPONSE 182-227
6.1 Natural Rubber Producers Response 182
  6.1.1 Socio-economic characteristics of sample rubber producers 182
    6.1.1.1 Women participation in natural rubber production 182
    6.1.1.2 Age group of natural rubber producers 185
    6.1.1.3 Level of education of the respondents 186
    6.1.1.4 Size of land holdings 187
    6.1.1.5 Classification of land 188
    6.1.1.6 Producers in the field of rubber production 189
    6.1.1.7 Age of rubber plantations 190
    6.1.1.8 Use of rain guards by producers 191
    6.1.1.9 Problems face by farmers for taping rubber trees 192
    6.1.1.10 Reasons for low rubber productivity 193
    6.1.1.11 Cost of tapping rubber trees 195
    6.1.1.12 Cost of maintaining natural rubber trees 196
    6.1.1.13 Investment for introducing natural rubber 197
    6.1.1.14 Percentage of graded rubber extraction 198
    6.1.1.15 Form of natural rubber product sold by producers 199
    6.1.1.16 Place of sale of rubber by producers 200
