

## ACKNOWLEDGEMENT

Completion of this dissertation on **Design and Development of Green IT Management model for selected IT Organizations in Pune city** would have not been possible without the support of several people. I would like to express my sincere gratitude to all of them.

I am extremely grateful to my research guide, **Dr. Mukund Kale, Software Engineering Manager - Seimens Industry Software India Pvt. Ltd.**, for his valuable guidance, scholarly inputs and consistent encouragement throughout the research work. This accomplishment was possible only because of the unconditional support provided by him. He has always made himself available to clarify my doubts despite his busy schedules and I consider it as a great opportunity to do my doctoral programme under his guidance and to learn from his research expertise.

I sincerely thank Dr. Jagdish N. Pol, Director - HNIMR, Dr. Mukund Tapkir, former Research Center Head - HNIMR and Dr. Rachana Shikare, former Incharge Research Center - HNIMR, Dr. Mihika Kulkarni, Incharge Research Center - HNIMR and Mrs. Manjushree Sawant, Librarian - HNIMR for their kind cooperation.

I would like to express my special appreciation and thanks to Mr. Shripad Joshi, Consultant - Persistent Systems, Mr. Jeetendra Sonar, Advisory Manager - IBM and Mr. Parag Parulekar, Owner - Dimensions Software for their industrial support.

I thank Dr. Roshan Kazi for extending his support in statistical data analysis. I also thank Dr. Shailesh Kasande, Director - VIM, Dr. Sharad Joshi, Dr. Sonali Parchure and Mrs. Pallavi Kasande for their support and valuable suggestions.

At the end I would like to express appreciation to my family members, my husband Mr. Umar Lone and my loving sons Ayaan Lone and Raihaan Lone who were always be my big support in every moment of this research journey. I owe a lot to my parents, who encouraged and helped me at every stage of my personal and academic life, and longed to see this achievement come true.

Above all, I owe it all to Almighty God for granting me health and strength to undertake this research task and enabling me to its completion.
