

ACKNOWLEDGEMENT

At first, I want to thank God with my sincere gratitude for his every blessing and for lending me his grace and strength to carry out each and every thing which I did in last five years. I want to give all the credit of my achievements to him as he is the one who better deserves it.

*I am ever so grateful to my guide, **Dr. Varun Jaiswal**, Assistant Professor, School of Computer Science and Electrical engineering, Shoolini University, Solan, H.P. I could not have imagined having a better advisor and mentor for my Ph.D. and without his knowledge, perceptiveness and cracking-of-the-whip I would never have finished. Throughout this course, he provided encouragement, sound advice, good teaching, good company and lots of good ideas. His unflagging devotion to work made me to approach him positively even at the most difficult times. His expedient guidance made it possible for me to bring the work in its present shape.*

*It is difficult to overstate my gratitude to **Dr. P.K. Khosla**, Vice Chancellor, Shoolini University for providing excellent facilities for the research work.*

*A very big thanks goes to **Dr. Puri**, Registrar, Shoolini University for all his support and cooperation to smoothly carry out this research.*

*I am indebted to the members of my advisory committee **Dr. Rohit Goyal**, **Dr. Amit Seth** and **Mr. Pankaj Vaidya** for their constructive criticism and constant encouragement.*

*I also gratefully acknowledge **Dr. Anuradha Sourirajan**, Dean and Professor, School of Biotechnology, Shoolini University, Solan for their constant support during this work.*

I offer my cordial & profound thanks to my lab mate, Mrs. Vandana Guleria for her help and cooperation. She has been my pillar of strength when I needed it most.

My heartfelt thanks to Mr. Gaurav Gupta for his support and sincere help throughout the research work.

I am greatly indebted to Dr. S. V. Bhardwaj and Mrs. Shikha Bhardwaj, my in laws for all their constructive support which helped me immensely.

Thanks seem a small word to express my feeling to my husband Lt. Col Nikhil Bhardwaj who helped me from the beginning, to the end of this period. His encouragement and support cannot be explained with words. Thanks for being on my side even when everyone else had left.

With profound affection, I thank my father Dr. S. K. Gupta, my mother Mrs. Saroj Gupta and my brothers Mr. Siddharth Gupta and Mr. Shantanu Gupta for holding me up during all the trials and tribulations. Thanks for telling me when to hang on and when to let go.

Neha Gupta
