List of Figures and Graph	xxv
List of Abbreviations	xxvi
Chapter 1: Introduction to the Study	1
1.0 Introduction	1
1.1 Background to the study	2
1.2 Statement of the problem	3
1.3 Purpose of the study	4
1.4 Defining key terms	5
1.4.1 Young adult ESL learners	5
1.4.2 Anxiety	6
1.4.3 Language anxiety	7
1.4.4 Second / foreign language anxiety	8
1.5 Rationale for the study	9
1.6 Objectives of the study	11
1.7 Research questions of the study	12
1.8 Research design and data collection procedures	12
1.9 Limitations of the study	13
1.10 Structure of the thesis	14
1.11 Conclusion	15

Chapter 2: Literature Review	17
2.0 Introduction	17
2.1 The role and significance of affect in the ESL context	18
2.2 Language anxiety as an identifiable affective factor in EFL/ESL Context	21
2.3 Defining language anxiety	24
2.4 Conceptualizing language anxiety: theoretical underpinnings	26
2.4.1 State anxiety vs. trait anxiety	27
2.4.2 Situation specific anxiety	29
2.4.3 Facilitating vs. debilitating anxiety	30
2.4.4 Theory of foreign language anxiety	31
2.5 Anxiety and theories of second language acquisition	34
2.5.1 Gardner's socio-educational model	34
2.5.2 Krashen's monitor model and affective filter	35
2.6 Measuring anxiety	37
2.6.1 Trait and state anxiety scales	37
2.6.2 Situation specific scales	38
2.7 Language anxiety and second/foreign language research	39
2.8 Conclusion	48
Chapter 3: Research Methodology	49
3.0 Introduction	49

3.3.2 Qualitative instruments	62
3.3.2.1 Classroom observation	63
3.3.2.1.1 Description of classroom observation checklist	65
3.3.2.2 Semi-structured interviews	66
3.3.2.2.1 Preparation of interview guide	69
3.3.2.2.2 Piloting interviews	69
3.3.2.3 Reflective journal	70
3.3.2.4 Post-class interactions with the learners	72
3.3.2.5 Textbook analysis of the learners' English textbook	72
3.4 Data collection and data analysis procedures (Pre-intervention phase)	74
3.4.1 Quantitative data collection and analysis	74
3.4.1.1 Foreign language classroom anxiety scale	75
3.4.1.2 Learner questionnaire	77
3.4.1.2.1 Factor-wise coding	78
3.4.2 Qualitative data collection and analysis	90
3.4.2.1 Classroom observation	91
3.4.2.2 Semi-structured interviews	92

3.4.2.2.1 Considerations for validity and reliability	95
3.5 Interpretation of entire analysis	97
3.6 Data collection and data analysis procedures (Intervention phase)	97
3.6.1 Reflective journal	97
3.6.2 Post-class interactions with the learners	98
3.7 Data collection and data analysis procedures (Post-intervention phase)	98
3.8 An outline of pre, while and post-intervention data collection and data analysis procedures	100
3.9 Conclusion	102
Chapter 4: Findings of the Study	103
4.0 Introduction	103
4.1 Findings from the pre-intervention phase	103
4.1.1 Learners' responses to the FLCAS	103
4.1.1.1 Sample selection	106
4.1.2 Findings from the learner questionnaire	106
4.1.2.1 Learner profile	107
4.1.2.1.1 Age	107

4.1.2.1.2 Gender	107
4.1.2.1.3 Medium of instruction	107
4.1.2.1.4 Exposure to English	107
4.1.2.1.5 Reasons for studying English	107
4.1.3 Influence of factors on the learners language speaking anxiety (FLCAS and LQ)	108
4.1.4 Findings from the classroom observation	109
4.1.4.1 High anxious learner verbal and non-verbal behaviour (pre-class)	110
4.1.4.2 High anxious learners' verbal and non-verbal behaviour (while-class)	113
4.1.4.3 High anxious learners' verbal and non-verbal behaviour (post-class)	116
4.1.4.4 Overall classroom environment of English class	116
4.1.4.5 Teacher activities and teacher instruction	117
4.1.4.6 Insufficient teacher support to the high anxious learners	117
4.1.4.7 Inadequate high anxious learner involvement	119

4.1.4.8 Anxiety-provoking classroom environment	119
4.1.5 Findings acquired from the learners' semi-structured interviews	120
4.1.5.1 Anxiety while speaking in the English class	121
4.1.5.2 Expectations that others would evaluate negatively	122
4.1.5.3 Fear of failure	122
4.1.5.4 Lack of teacher interest and encouragement	123
4.1.5.5 Less speaking opportunities	124
4.1.5.6 Lack of peer support	125
4.1.5.7 Irrational beliefs about speaking English	126
4.1.5.8 Unpleasant previous language learning experience	128
4.1.5.9 Activities that created anxiety in high anxious learners	129
4.1.5.10 Impact of language speaking anxiety on the learner performance	130
4.1.5.11 Suggestions for reducing language speaking anxiety	130
4.1.5.12 Overall findings of pre-intervention data	131
4.2 Intervention and findings from the intervention phase	132
4.2.1 Tasks, Activities, and instructions planned for the intervention	133

4.2.2 Methodology used	135
4.2.3 Intervention strategies used during intervention	137
4.2.3.1 Making ground rules for English class	138
4.2.3.2 Use of bilingual instructions	139
4.2.3.3 Helping learners overcome their psychological barriers	139
4.2.3.4 Creating learner awareness in avoiding negative evaluation	141
4.2.3.5 Use of five minute fun activities	142
4.2.3.6 Providing comprehensible language input to the learners	143
4.2.3.7 Giving systematic language practice to the learners	144
4.2.3.8 Giving teacher support in planning and practicing new language information	145
4.2.3.9 Providing learners psychological support	145
4.2.3.10 Creating positive and learner friendly atmosphere in the class	146
4.2.3.11 Use of posters, charts, videos, and music with language games	147

4.2.3.12 Teaching techniques of deep breathing and positive	
self-talk	148
4.2.3.13 Avoiding explicit error correction and offering positive	
feedback on the learner performance	148
4.2.4 Findings from the reflective journal	149
4.2.4.1 Enjoyable and stress-free language learning experience	149
4.2.4.2 Growth in the learner classroom participation	150
4.2.4.3 Increased learners' language fluency	151
4.2.4.4 Growth in the learner confidence	152
4.2.4.5 Development of interest and motivation in the learners	153
4.3 Findings from post-intervention phase	154
4.3.1 Findings from the Paired t-test/ repeated measures	155
4.3.2 Findings from the learner semi-structured interviews	157
4.3.2.1 Overall impact of the intervention on the learners'	
language speaking anxiety	157
4.3.2.2 Learner feedback to the intervention strategies	159
4.3.2.2.1 Intervention strategy 1: Making ground rules	159

4.3.2.2.2 Intervention strategy 2: Providing comprehensible language inputs	160
4.3.2.2.3 Intervention strategy 3: Giving systematic practice	161
4.3.2.2.4 Intervention strategy 4: Use of posters, charts, music, videos, and language games	162
4.3.2.2.5 Intervention strategy 5: Offering learner friendly feedback to the learner	164
4.3.2.2.6 Intervention strategy 6: Creating learners awareness in avoiding negative evaluation	165
4.3.2.2.7 Intervention strategy 7: Creating positive and learner friendly atmosphere in the class	166
4.3.2.2.8 Intervention strategy 8: Providing learners psychological and linguistic support	168
4.3.2.2.9 Intervention strategy 9: Dispelling learners' irrational beliefs about speaking English	170
4.3.2.2.10 Intervention strategy 10: Teaching techniques of deep breathing and positive self-talk	171

4.3.3 Findings from the teacher semi-structured interview	172
4.3.3.1 Impact of intervention on the learners’ language speaking anxiety	172
4.3.3.2 Teacher feedback to the intervention strategies	174
4.4 Conclusion	175
Chapter 5: Discussions and Conclusions	177
5.0 Introduction	177
5.1 Answers to the research questions	177
5.1.1 RQ 1 – To what extent do the young adult ESL learners’ experience language speaking anxiety in the classroom?	178
5.1.2 RQ 2 – Which factors of language anxiety have a strong influence on the young adult ESL learners’ classroom speaking anxiety?	180
5.1.3 RQ 3 – Which classroom activities create high language speaking anxiety in the young adult ESL learners?	184
5.1.4 RQ 4 – What measures can be taken by the teacher to help these learners’ overcome their language speaking anxiety?	186
5.2 Comparison of the findings with the available literature	189

5.3 Contributions of the study	190
5.4 Implications of the study	191
5.4.1. Theoretical implications	191
5.4.2. Methodological implications	192
5.4.3. Pedagogical implications	193
5.4.3.1 Implications for language teachers	193
5.4.3.2 Implications for teacher educators	196
5.4.3.3 Implications for textbook designers	197
5.5 Limitations of the study	197
5.6 Recommendations for further research	198
5.7 Summarizing thesis	199
5.8 Conclusion	201
Bibliography	202
Appendixes	221
Appendix I Foreign language classroom anxiety scale English version	221
Foreign language classroom anxiety scale Marathi version	225

Appendix II Learner questionnaire English version	229
Learner questionnaire Marathi version	233
Appendix III Classroom observation checklist	238
Appendix IV Interview guide	246
Appendix V Samples of tasks and activities used in the intervention	251
Appendix VI Samples of learner data	256
Appendix VII Field photos	280
