ACKNOWLEDGEMENTS

All praises to Almighty Allah, the most beneficient and merciful.

I would like to extend my gratitude to the many people who helped me to bring this research work to fruition. Foremost, I want to thank my research advisor Dr. T. Nargis Begum, Assistant Professor, PG & Research Department of Biotechnology, Jamal Mohamed College, Trichy – 20, it has been an honour to be her second Ph.D scholar. I appreciate all her contributions of time and ideas to make my Ph.D experience productive and stimulating. The joy and enthusiasm she has for her research was contagious and motivational for me, even during tough times in the Ph.D pursuit and demanding a high quality of work in all my endeavors. Her support made my thesis work possible.

I would like to thank management committee members of Jamal Mohamed College, Tiruchirappalli – 620 020: Janab Dr. A. K. Khaja Nazeemudeen D. Litt. (U.S.A) (Secretary & Correspondent), Janab M. J. Jamal Mohamed Bilal Sahib (President), Hajee K. A. Khaleel Ahamed Sahib (Treasurer) and Hajee M. J. Jamal Mohamed Sahib (Assistant Secretary) for providing me the opportunity of taking part in Ph.D program and also for their encouragement and support.

I am very grateful for Dr. S. Mohamed Salique (Principal), Dr. A. Mohamed Ibraheem (Vice Principal), Hajee Dr. S. Ismail Mohideen (Additional Vice Principal), Dr. K. Abdus Samad (Director (JIM) & Bursar (SF)) and Janab. K. N. Abdul Kader Nihal (Director (SF) & Registrar of Attendance (SF)) for giving me intellectual freedom in my work.

I am also indebted to former principal Hajee Dr. R. K. Khader Mohideen and present Head, Department of Management Studies, former principal Hajee Dr. A. M. Mohamed Sindhasha and present Head, Department of Business Administration, Dr. K. N. Mohamed Fazil (Director – Hostel Administration) and Prof. M. A. Jamal Mohamed Yaseen Zubeir (Director – Hostel Administration), for facilitating requests and approvals during the period of my study.

I also thank my Doctoral committee members, Dr. G. Archunan, D.Sc., Professor and Head, Department of Animal Science, Bharathidasan University, Trichy – 24 and Dr. A. Shajahan, Associate Professor, PG & Research Department of Botany, Jamal Mohamed College, Trichy – 20, for their time, engaging me in new ideas, inspirational discussion regarding these research, insightful questions and for guiding me in writing thesis.
I must express my very profound gratitude to Dr. M. H. Muhammad Ilyas, Associate Professor, Department of Botany, Jamal Mohamed College, Trichy – 20, for guiding and supporting me through the process of researching and writing this thesis. I am especially grateful for Dr. H. Syed Jahangir, Co-ordinator, PG & Research Department of Biotechnology, Jamal Mohamed College, Trichy – 20. Sir has contributed immensely to my personal, professional time at the department, kept me organized and was always ready to help and without which this research work would not have been possible.

I would also like to acknowledge Dr. M. Syed Ali Padusha, Associate Professor, Department of Chemistry, Jamal Mohamed College, Trichy who patiently taught me regarding column chromatography and spectrum interpretation, N. Mujafar Kani, Assistant Professor, Department of Chemistry, Jamal Mohamed College, Trichy-20, for clearing up my doubts related to chemical structure.

I owe a debt of gratitude to all other members of Department of Biotechnology and Department of Microbiology for their friendship, love and unyielding support. I would be remiss if I did not thank J. Catherine (Lab Attender), PG & Research Department of Biotechnology, Jamal Mohamed College, Trichy – 20, for providing much needed assistance in lab.

Lastly, I would like to thank my parents (K. Yakoob Sherif and Y. Razia Begum) who raised me with a love of science and supported me in all my pursuits, my brothers, sisters, co-sisters and nephews (Y. Shabeer Sherif, Y. Ansar Sherif, Y. Mansoor Sherif, A. Abdul Khadir, L. Mohamed Ali, Y. Tanveer Mehtaj, Y. Faiza Tarnam, S. Ibsal Aryfa, M. Rahamathunisha, Rakshan Raees, S. Rayan Sherif, A. Javid Sherif, A. Adhil Sherif, A. Ayaan Azeez and M. Fuzail Ahmed) for all their unfailing support, love and encouragement.

Thanks to my friends M. Madhu and Ellaiyaraja (Research Scholar, Bharathidasan University) for helping me in processing the samples. This accomplishment would not have been possible without them. Thank you.
