

## *Appendix*

### **Single Convention on Narcotic Drugs, 1961 (important provisions)**

#### **Preamble**

The Parties,

*Concerned* with the health and welfare of mankind,

*Recognizing* that the medical use of narcotic drugs continues to be indispensable for the relief of pain and suffering and that adequate provision must be made to ensure the availability of narcotic drugs for such purposes,

*Recognizing* that addiction to narcotic drugs constitutes a serious evil for the individual and is fraught with social and economic danger to mankind,

*Conscious* of their duty to prevent and combat this evil,

*Considering* that effective measures against abuse of narcotic drugs require co-ordinated and universal action,

*Understanding* that such universal action calls for international cooperation guided by the same principles and aimed at common objectives,

*Acknowledging* the competence of the United Nations in the field of narcotics control and desirous that the international organs concerned should be within the framework of that organization,

Desiring to conclude a generally acceptable international convention replacing existing treaties on narcotic drugs, limiting such drugs to medical and scientific use, and providing for continuous international co-operation and control for the achievement of such aims and objectives,

Hereby agree as follows:

#### **Article 1. Definitions**

1. Except where otherwise expressly indicated or where the context otherwise requires, the following definitions shall apply throughout the Convention:

(a) "Board" means the International Narcotics Control Board.

(b) "Cannabis" means the flowering or fruiting tops of the cannabis plant (excluding the seeds and leaves when not accompanied by the tops) from which the resin has not been extracted, by whatever name they may be designated.

(c) "Cannabis plant" means any plant of the genus cannabis.

(d) "Cannabis resin" means the separated resin, whether crude or purified, obtained from the cannabis plant.

(e) "Coca bush" means the plant of any species of the genus erythroxylon.

(f) "Coca leaf" means the leaf of the coca bush except a leaf from which all ecgonine, cocaine and any other ecgonine alkaloids have been removed.

(g) "Commission" means the Commission on Narcotic Drugs of the Council.

(h) "Council" means the Economic and Social Council of the United Nations.

(i) "Cultivation" means the cultivation of the opium poppy, coca bush or cannabis plant.

(j) "Drug" means any of the substances in Bibliography Schedules I and II, whether natural or synthetic.

(k) "General Assembly" means the General Assembly of the United Nations.

(l) "Illicit traffic" means cultivation or trafficking in drugs contrary to the provisions of this Convention.

- (m) "Import" and "export" mean in their respective connotations the physical transfer of drugs from one State to another State, or from one territory to another territory of the same State.
- (n) "Manufacture" means all processes, other than production, by which drugs may be obtained and includes refining as well as the transformation of drugs into other drugs.
- (o) "Medicinal opium" means opium which has undergone the processes necessary to adapt it for medicinal use.
- (p) "Opium" means the coagulated juice of the opium poppy.
- (q) "Opium poppy" means the plant of the species *Papaver somniferum* L.
- (r) "Poppy straw" means all parts (except the seeds) of the opium poppy, after mowing.
- (s) "Preparation" means a mixture, solid or liquid, containing a drug.
- (t) "Production" means the separation of opium, coca leaves, cannabis and cannabis resin from the plants from which they are obtained.

### **Article 2. Substances under control**

1. Except as to measures of control which are limited to specified drugs, the drugs in Schedule I are subject to all measures of control applicable to drugs under this Convention and in particular to those prescribed in articles 4 (c), 19, 20, 21, 29, 30, 31, 32, 33, 34 and 37.
2. The drugs in Schedule II are subject to the same measures of control as drugs in Schedule I with the exception of the measures prescribed in article 30, paragraphs 2 and 5, in respect of the retail trade.
3. Preparations other than those in Schedule III are subject to the same measures of control as the drugs which they contain, but estimates (article 19) and statistics (article 20) distinct from those dealing with these drugs shall not be required in the case of such preparations, and article 29, paragraph 2 (c) and article 30, paragraph 1 (6) (ii) need not apply.
4. Preparations in Schedule III are subject to the same measures of control as preparations containing drugs in Schedule II except that article 31, paragraphs 1 (6) and 4 to 15 need not apply, and that for the purpose of estimates (article 19) and statistics (article 20) the information required shall be restricted to the quantities of drugs used in the manufacture of such preparations.
5. The drugs in Schedule IV shall also be included in Schedule I and subject to all measures of control applicable to drugs in the latter schedule, and in addition thereto:
  - (a) A Party shall adopt any special measures of control which in its opinion are necessary having regard to the particularly dangerous properties of a drug so included; and
  - (b) A Party shall, if in its opinion the prevailing conditions in its country render it the most appropriate means of protecting the public health and welfare, prohibit the production, manufacture, export and import of, trade in possession or use of any such drug except for amounts which may be necessary for medical and scientific research only, including clinical trials therewith to be conducted under or subject to the direct supervision and control of the Party.

### **Article 3. Changes in the scope of control**

1. Where a Party or the World Health Organization has information which in its opinion may require an amendment to any of the Schedules, it shall notify the Secretary-General and furnish him with the information in support of the notification.
2. The Secretary-General shall transmit such notification, and any information which he considers relevant to the Parties, to the Commission, and, where the notification is made by a Party, to the World Health Organization.

- .3. Where a notification relates to a substance not already in Schedule I or in Schedule II,
- (i) The Parties shall examine in the light of the available information the possibility of the provisional application to the substance of all measures of control applicable to drugs in Schedule I;
  - (ii) Pending its decision as provided in sub-paragraph (iii) of this paragraph, the Commission may decide that the Parties apply provisionally to that substance all measures of control applicable to drugs in Schedule I. The Parties shall apply such measures provisionally to the substance in question;
  - (iii) If the World Health Organization finds that the substance is liable to similar abuse and productive of similar ill effects as the drugs in Schedule I or Schedule II or is convertible into a drug, it shall communicate that finding to the Commission which may, in accordance with the recommendation of the World Health Organization, decide that the substance shall be added to Schedule I or Schedule II.
4. If the World Health Organization finds that a preparation because of the substances which it contains is not liable to abuse and cannot produce ill effects (paragraph 3) and that the drug therein is not readily recoverable, the Commission may, in accordance with the recommendation of the World Health Organization, add that preparation to Schedule III.
5. If the World Health Organization finds that a drug in Schedule I is particularly liable to abuse and to produce ill effects (paragraph 3) and that such liability is not offset by substantial therapeutic advantages not possessed by substances other than drugs in Schedule IV, the Commission may, in accordance with the recommendation of the World Health Organization, place that drug in Schedule IV.
6. Where a notification relates to a drug already in Schedule I or Schedule II or to a preparation in Schedule III, the Commission, apart from the measure provided for in paragraph 5, may, in accordance with the recommendation of the World Health Organization, amend any of the Schedules by:
- (a) Transferring a drug from Schedule I to Schedule II or from Schedule II to Schedule I ; or
  - (b) Deleting a drug or a preparation as the case may be, from a Schedule.
7. Any decision of the Commission taken pursuant to this article shall be communicated by the Secretary-General to all States Members of the United Nations, to non-member States Parties to this Convention, to the World Health Organization and to the Board. Such decision shall become effective with respect to each Party on the date of its receipt of such communication, and the Parties shall thereupon take such action as may be required under this Convention.
8. (a) The decisions of the Commission amending any of the schedules shall be subject to review by the Council upon the request of any Party filed within ninety days from receipt of notification of the decision. The request for review shall be sent to the Secretary-General together with all relevant information upon which the request for review is based ;
- (b) The Secretary-General shall transmit copies of the request for review and relevant information to the Commission, the World Health Organization and to all the Parties inviting them to submit comments within ninety days. All comments received shall be submitted to the Council for consideration ;
  - (c) The Council may confirm, alter or reverse the decision of the Commission, and the decision of the Council shall be final. Notification of the Council's decision shall be transmitted to all States Members of the United Nations, to non-member States Parties to this Convention, to the Commission, to the World Health Organization, and to the Board.

(d) During pendency of the review the original decision of the Commission shall remain in effect,

9. Decisions of the Commission taken in accordance with this article shall not be subject to the review procedure provided for in article 7.

#### **Article 4. General obligations**

1. The Parties shall take such legislative and administrative measures as may be necessary:

(a) To give effect to and carry out the provisions of this Convention within their own territories ;

(b) To co-operate with other States in the execution of the provisions of this Convention ; and

(c) Subject to the provisions of this Convention, to limit exclusively to medical and scientific purposes the production, manufacture, export, import, distribution of, trade in, use and possession of drugs.

#### **Article 5. The international control organs**

The Parties, recognizing the competence of the United Nations with respect to the international control of drugs, agree to entrust to the Commission on Narcotic Drugs of the Economic and Social Council, and to the International Narcotics Control Board, the functions respectively assigned to them under this Convention.

#### **Article 6. Expenses of the international control organs**

The expenses of the Commission and the Board will be borne by the United Nations in such manner as shall be decided by the General Assembly. The Parties which are not members of the United Nations shall contribute to these expenses such amounts as the General Assembly finds equitable and assess from time to time after consultation with the Governments of these Parties.

#### **Article 7. Review of decisions and recommendations of the Commission**

Except for decisions under article 3, each decision or recommendation adopted by the Commission pursuant to the provisions of this Convention shall be subject to approval or modification by the Council or the General Assembly in the same way as other decisions or recommendations of the Commission.

#### **Article 8. Functions of the Commission**

The Commission is authorized to consider all matters pertaining to the aims of this Convention, and in particular:

(a) To amend the Schedules in accordance with article 3 ;

(b) To call the attention of the Board to any matters which may be relevant to the functions of the Board;

(c) To make recommendations for the implementation of the aims and provisions of this Convention, including programmes of scientific research and the exchange of information of a scientific or technical nature ; and

(d) To draw the attention of non-parties to decisions and recommendations which it adopts under this Convention, with a view to their considering taking action in accordance therewith.

#### **Article 9. Composition of the Board**

1. The Board shall consist of eleven members to be elected by the Council as follows:

(a) Three members with medical, pharmacological or pharmaceutical experience from a list of at least five persons nominated by the World Health Organization; and

(b) Eight members from a list of persons nominated by the Members of the United Nations and by Parties which are not Members of the United Nations.

2. Members of the Board shall be persons who, by their competence, impartiality and disinterestedness, will command general confidence. During their term of office they shall not hold any position or engage in any activity which would be liable to impair their impartiality in

the exercise of their functions. The Council shall, in consultation with the Board, make all arrangements necessary to ensure the full technical independence of the Board in carrying out its functions.

3. The Council, with due regard to the principle of equitable geographic representation, shall give consideration to the importance of including on the Board, in equitable proportion, persons possessing a knowledge of the drug situation in the producing, manufacturing, and consuming countries, and connected with such countries.

#### **Article 10. Terms of office and remuneration of members of the Board**

1. The members of the Board shall serve for a period of three years, and shall be eligible for re-election.

2. The term of office of each member of the Board shall end on the eve of the first meeting of the Board which his successor shall be entitled to attend.

3. A member of the Board who has failed to attend three consecutive sessions shall be deemed to have resigned.

4. The Council, on the recommendation of the Board, may dismiss a member of the Board who has ceased to fulfil the conditions required for membership by paragraph 2 of article 9. Such recommendation shall be made by an affirmative vote of eight members of the Board.

5. Where a vacancy occurs on the Board during the term of office of a member, the Council shall fill such vacancy as soon as possible and in accordance with the applicable provisions of article 9, by electing another member for the remainder of the term.

6. The members of the Board shall receive an adequate remuneration as determined by the General Assembly.

#### **Article 11. Rules of procedure of the Board**

1. The Board shall elect its own President and such other officers as it may consider necessary and shall adopt its rules of procedure.

2. The Board shall meet as often as, in its opinion, may be necessary for the proper discharge of its functions, but shall hold at least two sessions in each calendar year.

3. The quorum necessary at meetings of the Board shall consist of seven members.

#### **Article 12. Administration of the estimate system**

1. The Board shall fix the date or dates by which, and the manner in which, the estimates as provided in Article 19 shall be furnished and shall prescribe the forms there for.

2. The Board shall, in respect of countries and territories to which this Convention does not apply, request the Governments concerned to furnish estimates in accordance with the provisions of this Convention.

3. If any State fails to furnish estimates in respect of any of its territories by the date specified, the Board shall, as far as possible, establish the estimates. The Board in establishing such estimates shall, to the extent practicable, do so in co-operation with the Government concerned.

4. The Board shall examine the estimates, including supplementary estimates, and, except as regards requirements for special purposes, may require such information as it considers necessary in respect of any country or territory on behalf of which an estimate has been furnished, in order to complete the estimate or to explain any statement contained therein.

5. The Board shall as expeditiously as possible confirm the estimates, including supplementary estimates, or, with the consent of the Government concerned, may amend such estimates.

6. In addition to the reports mentioned in article 15, the Board shall, at such times as it shall determine but at least annually, issue such information on the estimates as in its opinion will facilitate the carrying out of this Convention.

### **Article 13. Administration of the statistical returns system**

1. The Board shall determine the manner and form in which statistical returns shall be furnished as provided in article 20 and shall prescribe the forms there for.
2. The Board shall examine the returns with a view to determining whether a Party or any other State has complied with the provisions of this Convention.
3. The Board may require such further information as it considers necessary to complete or explain the information contained in such statistical returns.
4. It shall not be within the competence of the Board to question or express an opinion on statistical information respecting drugs required for special purposes.

### **Article 14. Measures by the Board to ensure the execution of the provisions of the Convention**

1. (a) If, on the basis of its examination of information submitted by Governments to the Board under the provisions of this Convention, or of information communicated by United Nations organs and bearing on questions arising under those provisions, the Board has reason to believe that the aims of this Convention are being seriously endangered by reason of the failure of any country or territory to carry out the provisions of this Convention, the Board shall have the right to ask for explanations from the Government of the country or territory in question. Subject to the right of the Board to call the attention of the Parties, the Council and the Commission to the matter referred to in sub-paragraph (c) below, it shall treat as confidential a request for information or an explanation by a Government under this sub-paragraph (6) After taking action under sub-paragraph (a) above, the Board, if satisfied that it is necessary to do so, may call upon the Government concerned to adopt such remedial measures as shall seem under the circumstances to be necessary for the execution of the provisions of this Convention.  
(c) If the Board finds that the Government concerned has failed to give satisfactory explanations when called upon to do so under sub-paragraph (a) above, or has failed to adopt any remedial measures which it has been called upon to take under sub-paragraph (6) above, it may call the attention of the Parties, the Council and the Commission to the matter.
2. The Board, when calling the attention of the Parties, the Council and the Commission to a matter in accordance with paragraph 1 (c) above, may, if it is satisfied that such a course is necessary, recommend to Parties that they stop the import of drugs, the export of drugs, or both, from or to the country or territory concerned, either for a designated period or until the Board shall be satisfied as to the situation in that country or territory. The State concerned may bring the matter before the Council.
3. The Board shall have the right to publish a report on any matter dealt with under the provisions of this article, and communicate it to the Council, which shall forward it to all Parties. If the Board publishes in this report a decision taken under this article or any information relating thereto, it shall also publish therein the views of the Government concerned if the latter so requests.
4. If in any case a decision of the Board which is published under this article is not unanimous, the views of the minority shall be stated.
5. Any State shall be invited to be represented at a meeting of the Board at which a question directly interesting it is considered under this article.
6. Decisions of the Board under this article shall be taken by a two-thirds majority of the whole number of the Board.

### **Article 15. Reports of the Board**

1. The Board shall prepare an annual report on its work and such additional reports as it considers necessary containing also an analysis of the estimates and statistical information at its disposal, and, in appropriate cases, an account of the explanations, if any, given by or required of Governments, together with any observations and recommendations which the Board desires to make. These reports shall be submitted to the Council through the Commission, which may make such comments as it sees fit.

2. The reports shall be communicated to the Parties and subsequently published by the Secretary General. The Parties shall permit their unrestricted distribution.

### **Article 16. Secretariat**

The secretariat services of the Commission and the Board shall be furnished by the Secretary-General.

### **Article 17. Special administration**

The Parties shall maintain a special administration for the purpose of applying the provisions of this Convention.

### **Article 18. Information to be furnished by Parties to the Secretary-General**

1. The Parties shall furnish to the Secretary General such information as the Commission may request as being necessary for the performance of its functions, and in particular:

- (a) An annual report on the working of the Convention within each of their territories ;
- (b) The text of all laws and regulations from time to time promulgated in order to give effect to this Convention;
- (c) Such particulars as the Commission shall determine concerning cases of illicit traffic, including particulars of each case of illicit traffic discovered which may be of importance, because of the light thrown on the source from which drugs are obtained for the illicit traffic, or because of quantities involved or the method employed by illicit traffickers ;and
- (d) The names and addresses of the governmental authorities empowered to issue export and import authorizations or certificates.

2. Parties shall furnish the information referred to in the preceding paragraph in such manner and by such dates and use such forms as the Commission may request.

### **Article 19. Estimates of drug requirements**

1. The Parties shall furnish to the Board each year for each of their territories, in the manner and form prescribed by the Board, estimates on forms supplied by it in respect of the following matters:

- (a) Quantities of drugs to be consumed for medical and scientific purposes;
- (b) Quantities of drugs to be utilized for the manufacture of other drugs, of preparations in Schedule III, and of substances not covered by this Convention;
- (c) Stocks of drugs to be held as at 31 December of the year to which the estimates relate; and
- (d) Quantities of drugs necessary for addition to special stocks.

2. Subject to the deductions referred to in paragraph 3 of article 21, the total of the estimates for each territory and each drug shall consist of the sum of the amounts specified under subparagraphs (a), (b) and (d) of paragraph 1 of this article, with the addition of any amount required to bring the actual stocks on hand at 31 December of the preceding year to the level estimated as provided in paragraph 1(c) .

## **Article 20. Statistical returns to be furnished to the Board**

1. The Parties shall furnish to the Board for each of their territories, in the manner and form prescribed by the Board, statistical returns on forms supplied by it in respect of the following matters:

- (a) Production or manufacture of drugs;
- (b) Utilization of drugs for the manufacture of other drugs, of preparations in Schedule III and of substances not covered by this Convention, and utilization of poppy straw for the manufacture of drugs ;
- (c) Consumption of drugs;
- (d) Imports and exports of drugs and poppy straw;
- (e) Seizures of drugs and disposal thereof; and
- (f) Stocks of drugs as at 31 December of the year to which the returns relate.

2. (a) The statistical returns in respect of the matters referred to in paragraph 1, except subparagraph (d), shall be prepared annually and shall be furnished to the Board not later than 30 June following the year to which they relate.

3. In addition to the matters referred to in paragraph 1 of this article the Parties may as far as possible also furnish to the Board for each of their territories information in respect of areas cultivated for the production of opium.

4. The Parties are not required to furnish statistical returns respecting special stocks, but shall furnish separately returns respecting drugs imported into or procured within the country or territory for special purposes, as well as quantities of drugs withdrawn from special stocks to meet the requirements of the civilian population.

## **Article 21. Limitation of manufacture and importation**

1. The total of the quantities of each drug manufactured and imported by any country or territory in any one year shall not exceed the sum of the following:

- (a) The quantity consumed, within the limit of the relevant estimate, for medical and scientific purposes ;
- (b) The quantity used, within the limit of the relevant estimate, for the manufacture of other drugs, of preparations in Schedule III, and of substances not covered by this Convention ;
- (c) The quantity exported;
- (d) The quantity added to the stock for the purpose of bringing that stock up to the level specified in the relevant estimate ; and
- (e) The quantity acquired within the limit of the relevant estimate for special purposes.

2. From the sum of the quantities specified in paragraph 1 there shall be deducted any quantity that has been seized and released for licit use, as well as any quantity taken from special stocks for the requirements of the civilian population.

3. If the Board finds that the quantity manufactured and imported in any one year exceeds the sum of the quantities specified in paragraph 1, less any deductions required under paragraph 2 of this article, any excess so established and remaining at the end of the year shall, in the following year, be deducted from the quantity to be manufactured or imported and from the total of the estimates as defined in paragraph 2 of article 19.

4. (a) If it appears from the statistical returns on imports or exports (article 20) that the quantity exported to any country or territory exceeds the total of the estimates for that country or territory, as defined in paragraph 2 of article 19, with the addition of the amounts shown to have been exported, and after deduction of any excess as established in paragraph 3 of this

article, the Board may notify this fact to States which, in the opinion of the Board, should be so informed;

**Article 22. Special provision applicable to cultivation**

Whenever the prevailing conditions in the country or a territory of a Party render the prohibition of the cultivation of the opium poppy, the coca bush or the cannabis plant the most suitable measure, in its opinion, for protecting the public health and welfare and preventing the diversion of drugs into the illicit traffic, the Party concerned shall prohibit cultivation.

**Article 23. National opium agencies**

1. A Party that permits the cultivation of the opium poppy for the production of opium shall establish, if it has not already done so, and maintain, one or more government agencies to carry out the functions required under this article.
2. Each such Party shall apply the following provisions to the cultivation of the opium poppy for the production of opium and to opium :
  - (a) The Agency shall designate the areas in which, and the plots of land on which, cultivation of the opium poppy for the purpose of producing opium shall be permitted.
  - (b) Only cultivators licensed by the Agency shall be authorized to engage in such cultivation.
  - (c) Each license shall specify the extent of the land on which the cultivation is permitted.
  - (d) All cultivators of the opium poppy shall be required to deliver their total crops of opium to the Agency. The Agency shall purchase and take physical possession of such crops as soon as possible, but not later than four months after the end of the harvest.
  - (e) The Agency shall, in respect of opium, have the exclusive right of importing, exporting, whole sale trading and maintaining stocks other than those held by manufacturers of opium alkaloids, medicinal opium or opium preparations. Parties need not extend this exclusive right to medicinal opium and opium preparations.

**Article 24. Limitation on production of opium for international trade**

1. (a) If any Party intends to initiate the production of opium or to increase existing production, it shall take account of the prevailing world need for opium in accordance with the estimates there of published by the Board so that the production of opium by such Party does not result in overproduction of opium in the world.
- (b) A Party shall not permit the production of opium or increase the existing production thereof if in its opinion such production or increased production in its territory may result in illicit traffic in opium.
2. (a) Subject to paragraph 1, where a Party which as of 1 January 1961 was not producing opium for export desires to export opium which it produces, in amounts not exceeding five tons annually, it shall notify the Board, furnishing with such notification information regarding:
  - (i) The controls in force as required by this Convention respecting the opium to be produced and exported; and
  - (ii) The name of the country or countries to which it expects to export such opium; and the Board may either approve such notification or may recommend to the Party that it not engage in the production of opium for export.
- (b) Where a Party other than a Party referred to in paragraph 3 desires to produce opium for export in amounts exceeding five tons annually, it shall notify the Council, furnishing with such notification relevant information including:
  - (i) The estimated amounts to be produced for export ;
  - (ii) The controls existing or proposed respecting the opium to be produced ;

(iii) The name of the country or countries to which it expects to export such opium; and the Council shall either approve the notification or may recommend to the Party that it not engage in the production of opium for export.

3. Notwithstanding the provisions of subparagraphs (a) and (b) of paragraph 2, a Party that during ten years immediately prior to 1 January 1961 exported opium which such country produced may continue to export opium which it produces.

4. (a) A Party shall not import opium from any country or territory except opium produced in the territory of:

(i) A Party referred to in paragraph 3 ;

(ii) A Party that has notified the Board as provided in sub-paragraph (a) of paragraph 2 ; or

(iii) A Party that has received the approval of the Council as provided in sub-paragraph (f) of paragraph 2

(b) Notwithstanding sub-paragraph (a) of this paragraph, a Party may import opium produced by any country which produced and exported opium during the ten years prior to 1 January 1961 if such country has established and maintains a national control organ or agency for the purposes set out in article 23 and has in force an effective means of ensuring that the opium it produces is not diverted into the illicit traffic.

5. The provisions of this article do not prevent a Party :

(a) From producing opium sufficient for its own requirements; or

(b) From exporting opium seized in the illicit traffic, to another Party in accordance with the requirements of this Convention.

#### **Article 25. Control of poppy straw**

1. A Party that permits the cultivation of the opium poppy for purposes other than the production of opium shall take all measures necessary to ensure:

(a) That opium is not produced from such opium poppies; and

(b) That the manufacture of drugs from poppy straw is adequately controlled.

2. The Parties shall apply to poppy straw the system of import certificates and export authorizations as provided in article 31, paragraphs 4 to 15.

3. The Parties shall furnish statistical information on the import and export of poppy straw as required for drugs under article 20, paragraphs 1 (d) and 2 (6).

#### **Article 26. The coca bush and coca leaves**

1. If a Party permits the cultivation of the coca bush, it shall apply thereto and to coca leaves the system of controls as provided in article 23 respecting the control of the opium poppy, but as regards paragraph 2(a) of that article, the requirements imposed on the Agency therein referred to shall be only to take physical possession of the crops as soon as possible after the end of the harvest.

2. The Parties shall so far as possible enforce the uprooting of all coca bushes which grow wild. They shall destroy the coca bushes illegally cultivated.

#### **Article 27. Additional provisions relating to coca leaves**

1. The Parties may permit the use of coca leaves for the preparation of a flavouring agent, which shall not contain any alkaloids, and, to the extent necessary for such use, may permit the production, import, export, trade in and possession of such leaves.

2. The Parties shall furnish separately estimates (article 19) and statistical information (article 20) in respect of coca leaves for preparation of the flavouring agent, except to the extent that the same coca leaves are used for the extraction of alkaloids and the flavouring agent, and so

explained in the estimates and statistical information.

**Article 28. Control of cannabis**

1. If a Party permits the cultivation of the cannabis plant for the production of cannabis or cannabis resin, it shall apply thereto the system of controls as provided in article 23 respecting the control of the opium poppy.

2. This Convention shall not apply to the cultivation of the cannabis plant exclusively for industrial purposes (fiber and seed) or horticultural purposes.

3. The Parties shall adopt such measures as may be necessary to prevent the misuse of, and illicit traffic in, the leaves of the cannabis plant.

**Article 29. Manufacture**

1. The Parties shall require that the manufacture of drugs be under licence except where such manufacture is carried out by a State enterprise or State enterprises.

2. The Parties shall:

(a) Control all persons and enterprises carrying on or engaged in the manufacture of drugs;

(b) Control under license the establishments and premises in which such manufacture may take place ;and

(c) Require that licensed manufacturers of drugs obtain periodical permits specifying the kinds and amounts of drugs which they shall be entitled to manufacture. A periodical permit, however, need not be required for preparations.

3. The Parties shall prevent the accumulation, in the possession of drug manufacturers, of quantities of drugs and poppy straw in excess of those required for the normal conduct of business, having regard to the prevailing market conditions.

**Article 30. Trade and distribution**

1.(a) The Parties shall require that the trade in and distribution of drugs be under license except where such trade or distribution is carried out by a State enterprise or State enterprises.

(b) The Parties shall:

(i) Control all persons and enterprises carrying on or engaged in the trade in or distribution of drugs;

(ii) Control under licence the establishments and premises in which such trade or distribution may take place. The requirement of licensing need not apply to preparations.

(c) The provisions of sub-paragraphs (a) and (fe) relating to licensing need not apply to persons duly authorized to perform and while performing therapeutic or scientific functions.

2. The Parties shall also:

(a) Prevent the accumulation in the possession of traders, distributors, State enterprises or duly authorized persons referred to above, of quantities of drugs and poppy straw in excess of those required for the nor-mal conduct of business, having regard to the prevailing market conditions ; and

(b) (i) Require medical prescriptions for the supply or dispensation of drugs to individuals. This requirement need not apply to such drugs as individuals may lawfully obtain, use, dispense or administer in connection with their duly authorized therapeutic functions; and

(ii) If the Parties deem these measures necessary or desirable, require that prescriptions for drugs in Schedule I should be written on official forms to be issued in the form of counterfoil books by the competent governmental authorities or by authorized professional associations.

**Article 31. Special provisions relating to international trade**

1. The Parties shall not knowingly permit the export of drugs to any country or territory except:

(a) In accordance with the laws and regulations of that country or territory ; and

(b) Within the limits of the total of the estimates for that country or territory, as defined in paragraph 2 of article 19, with the addition of the amounts intended to be reexported.

2. The Parties shall exercise in free ports and zones the same supervision and control as in other parts of their territories, provided, however, that they may apply more drastic measures.

3. The Parties shall:

(a) Control under license the import and export of drugs except where such import or export is carried out by a State enterprise or enterprises ;

(b) Control all persons and enterprises carrying on or engaged in such import or export.

4. (a) Every Party permitting the import or export of drugs shall require a separate import or export authorization to be obtained for each such import or export whether it consists of one or more drugs.

(b) Such authorization shall state the name of the drug, the international non-proprietary name if any, the quantity to be imported or exported, and the name and address of the importer and exporter, and shall specify the period within which the importation or exportation must be effected.

(c) The export authorization shall also state the number and date of the import certificate (paragraph 5) and the authority by whom it has been issued.

(d) The import authorization may allow an importation in more than one consignment.

5. Before issuing an export authorization the Parties shall require an import certificate, issued by the competent authorities of the importing country or territory and certifying that the importation of the drug or drugs referred to therein, is approved and such certificate shall be produced by the person or establishment applying for the export authorization. The Parties shall follow as closely as may be practicable the form of import certificate approved by the Commission.

### **Article 32. Special provisions concerning the carriage of drugs in first-aid kits of ships or aircraft engaged in international traffic**

1. The international carriage by ships or aircraft of such limited amounts of drugs as may be needed during their journey or voyage for first-aid purposes or emergency cases shall not be considered to be import, export or passage through a country within the meaning of this Convention.

2. Appropriate safeguards shall be taken by the country of registry to prevent the improper use of the drugs referred to in paragraph 1 or their diversion for illicit purposes. The Commission, in consultation with the appropriate international organizations, shall recommend such safeguards.

3. Drugs carried by ships or aircraft in accordance with paragraph 1 shall be subject to the laws, regulations, permits and licenses of the country of registry, without prejudice to any rights of the competent local authorities to carry out checks, inspections and other control measures on board ships or aircraft. The administration of such drugs in the case of emergency shall not be considered a violation of the requirements of article 30, paragraph 2(6).

### **Article 33. Possession of drugs**

The Parties shall not permit the possession of drugs except under legal authority.

### **Article 34. Measures of supervision and inspection**

The Parties shall require:

(a) That all persons who obtain licenses as provided in accordance with this Convention, or who have managerial or supervisory positions in a State enterprise established in accordance with this Convention, shall have adequate qualifications for the effective and faithful execution of the provisions of such laws and regulations as are enacted in pursuance thereof ; and

(b) That governmental authorities, manufacturers, traders, scientists, scientific institutions and hospitals keep such records as will show the quantities of each drug manufactured and of each individual acquisition and disposal of drugs. Such records shall respectively be preserved for a period of not less than two years. Where counterfoil books (article 30, paragraph 2 (ii)) of official prescriptions are used, such books including the counterfoils shall also be kept for a period of not less than two years.

#### **Article 35. Action against the illicit traffic**

Having due regard to their constitutional, legal and administrative systems, the Parties shall

- (a) Make arrangements at the national level for co-ordination of preventive and repressive action against the illicit traffic ;to this end they may usefully designate an appropriate agency responsible for such coordination;
- (b) Assist each other in the campaign against the illicit traffic in narcotic drugs;
- (c) Co-operate closely with each other and with the competent international organizations of which they are members with a view to maintaining a coordinated campaign against the illicit traffic;
- (d) Ensure that international cooperation between the appropriate agencies be conducted in an expeditious manner; and
- (e) Ensure that where legal papers are transmitted internationally for the purposes of a prosecution, the transmittal be effected in an expeditious manner to the bodies designated by the Parties ; this requirement shall be without prejudice to the right of a Party to require that legal papers be sent to it through the diplomatic channel.

#### **Article 36. Penal provisions**

1. Subject to its constitutional limitations, each Party shall adopt such measures as will ensure that cultivation, production, manufacture, extraction, preparation, possession, offering, offering for sale, distribution, purchase, sale, delivery on any terms whatsoever, brokerage, dispatch, dispatch in transit, transport, importation and exportation of drugs contrary to the provisions of this Convention, and any other action which in the opinion of such Party may be contrary to the provisions of this Convention, shall be punishable offences when committed intentionally, and that serious offences shall be liable to adequate punishment particularly by imprisonment or other penalties of deprivation of liberty.

2. Subject to the constitutional limitations of a Party, its legal system and domestic law,

- (a) (i) Each of the offences enumerated in paragraph 1, if committed in different countries, shall be considered as a distinct offence ;
- (ii ) Intentional participation in, conspiracy to commit and attempts to commit, any of such offences, and preparatory acts and financial operations in connection with the offences referred to in this article, shall be punishable offences as provided in paragraph 1 ;
- (iii) Foreign convictions for such offences shall be taken into account for the purpose of establishing recidivism; and
- (iv) Serious offences heretofore referred to committed either by nationals or by foreigners shall be prosecuted by the Party in whose territory the offence was committed, or by the Party in whose territory the offender is found if extradition is not acceptable in conformity with the law of the Party to which application is made, and if such offender has not already been prosecuted and judgment given.(b) It is desirable that the offences referred to in paragraph 1 and paragraph 2 (a) (ii) be included as extradition crimes in any extradition treaty which has been or may hereafter be concluded between any of the Parties, and, as between any of the Parties which do not make extradition conditional on the existence of a treaty or on reciprocity, be recognized as

extradition crimes; provided that extradition shall be granted in conformity with the law of the Party to which application is made, and that the Party shall have the right to refuse to effect the arrest or grant the extradition in cases where the competent authorities consider that the offence is not sufficiently serious.

3. The provisions of this article shall be subject to the provisions of the criminal law of the Party concerned on questions of jurisdiction.

4. Nothing contained in this article shall affect the principle that the offences to which it refers shall be defined, prosecuted and punished in conformity with the domestic law of a Party.

#### **Article 37. Seizure and confiscation**

Any drugs, substances and equipment used in or intended for the commission of any of the offences, referred to in article 36, shall be liable to seizure and confiscation.

#### **Article 38. Treatment of drug addicts**

1. The Parties shall give special attention to the provision of facilities for the medical treatment, care and rehabilitation of drug addicts.

2. If a Party has a serious problem of drug addiction and its economic resources permit, it is desirable that it establish adequate facilities for the effective treatment of drug addicts.

#### **Article 39. Application of stricter national control measures than those required by this Convention**

Notwithstanding anything contained in this Convention, a Party shall not be, or be deemed to be, precluded from adopting measures of control more strict or severe than those provided by this Convention and in particular from requiring that preparations in Schedule III or drugs in Schedule II be subject to all or such of the measures of control applicable to drugs in Schedule I as in its opinion is necessary or desirable for the protection of the public health or welfare.

#### **Article 40. Languages of the Convention and procedure for signature, ratification and accession**

##### **Article 41. Entry into force**

1. This Convention shall come into force on the thirtieth day following the date on which the fortieth instrument of ratification or accession is deposited in accordance with article 40.

##### **Article 42. Territorial application**

##### **Article 43. Territories for the purposes of articles 19, 20, 21 and 31**

##### **Article 44. Termination of previous international treaties**

I. The provisions of this Convention, upon its coming into force, shall, as between Parties hereto, terminate and replace the provisions of the following treaties:

(a) International Opium Convention, signed at The Hague on 23 January 1912 ;

(b) Agreement concerning the Manufacture of, Internal Trade in and Use of Prepared Opium, signed at Geneva on 11 February 1925 ;

(c) International Opium Convention, signed at Geneva on 19 February 1925;

(d) Convention for Limiting the Manufacture and Regulating the Distribution of Narcotic Drugs, signed at Geneva on 13 July 1931 ;

(e) Agreement for the Control of Opium Smoking in the Far East, signed at Bangkok on 27 November 1931;

(f) Protocol signed at Lake Success on 11 December 1946, amending the Agreements, Conventions and Protocols on Narcotic Drugs concluded at The Hague on 23 January 1912, at Geneva on 11 February 1925 and 19 February 1925 and 13 July 1931, at Bangkok on 27 November 1931 and at Geneva on 26 June 1936, except as it affects the last-named Convention;

(g) The Conventions and Agreements referred to in sub-paragraphs (a) to (e) as amended by the Protocol of 1946 referred to in sub-paragraph (f) ;

(É) Protocol signed at Paris on 19 November 1948 Bringing under International Control Drugs outside the Scope of the Convention of 13 July 1931 for Limiting the Manufacture and Regulating the Distribution of Narcotic Drugs, as amended by the Protocol signed at Lake Success on 11 December 1946;

(h) Protocol for Limiting and Regulating the Cultivation of the Poppy Plant, the Production of, International and Wholesale Trade in, and Use of Opium, signed at New York on 23 June 1953, should that Protocol have come into force.

#### **Article 45. Transitional provisions**

1. The functions of the Board provided for in article 9 shall, as from the date of the coming into force of this Convention (article 41, paragraph 1), be provisionally carried out by the Permanent Central Board constituted under chapter VI of the Convention referred to in article 44 (c) as amended, and by the Supervisory Body constituted under chapter II of the Convention referred to in article 44 (d) as amended, as such functions may respectively require.

#### **Article 46. Denunciation**

1. After the expiry of two years from the date of the coming into force of this Convention (Article 41, paragraph 1) any Party may, on its own behalf or on behalf of a territory for which it has international responsibility, and which has withdrawn its consent given in accordance with Article 42, denounce this Convention by an instrument in writing deposited with the Secretary-General.

#### **Article 47. Amendments**

1. Any Party may propose an amendment to this Convention. The text of any such amendment and the reasons there for shall be communicated to the Secretary-General who shall communicate them to the Parties and to the Council. The Council may decide either:

(a) That a conference shall be called in accordance with Article 62, paragraph 4, of the Charter of the United Nations to consider the proposed amendment; or

(b) That the Parties shall be asked whether they accept the proposed amendment and also asked to submit to the Council any comments on the proposal.

#### **Article 48. Disputes**

1. If there should arise between two or more Parties a dispute relating to the interpretation or application of this Convention, the said Parties shall consult together with a view to the settlement of the dispute by negotiation, investigation, mediation, conciliation, arbitration, recourse to regional bodies, judicial process or other peaceful means of their own choice.

2. Any such dispute which cannot be settled in the manner prescribed shall be referred to the International Court of Justice for decision.

#### **Article 49. Transitional reservations**

1. A Party may at the time of signature, ratification or accession reserve the right to permit temporarily in any one of its territories :

(a) The quasi-medical use of opium ;

(b) Opium smoking;

(c) Coca leaf chewing;

(d) The use of cannabis, cannabis resin, extracts and tinctures of cannabis for non-medical purposes; and

(e) The production and manufacture of and trade in the drugs referred to under (a) to (d) for the purposes mentioned therein.

2. The reservations under paragraph 1 shall be subject to the following restrictions:

(a) The activities mentioned in paragraph 1 may be authorized only to the extent that they were traditional in the territories in respect of which the reservation is made, and were there permitted on 1 January 1961.

(b) No export of the drugs referred to in paragraph 1 for the purposes mentioned therein may be permitted to a non-party or to a territory to which this Convention does not apply under Article 42.

(c) Only such persons may be permitted to smoke opium as were registered by the competent authorities to this effect on 1 January 1964.

(d) The quasi-medical use of opium must be abolished within 15 years from the coming into force of this Convention as provided in paragraph 1 of article 41.

(e) Coca leaf chewing must be abolished within twenty-five years from the coming into force of this Convention as provided in paragraph 1 of article 41.

(f) The use of cannabis for other than medical and scientific purposes must be discontinued as soon as possible but in any case within twenty-five years from the coming into force of this Convention as provided in paragraph 1 of article 41.

(g) The production and manufacture of and trade in the drugs referred to in paragraph 1 for any of the uses mentioned therein must be reduced and finally abolished simultaneously with the reduction and abolition of such uses.

3. A Party making a reservation under paragraph 1 shall:

(a) Include in the annual report to be furnished to the Secretary-General, in accordance with Article 18, paragraph 1 (a), an account of the progress made in the preceding year towards the abolition of the use, production, manufacture or trade referred to under paragraph 1; and

(b) Furnish to the Board separate estimates (article 19) and statistical returns (article 20) in respect of the reserved activities in the manner and form prescribed by the Board.

#### **Article 50. Other reservations**

1. No reservations other than those made in accordance with article 49 or with the following paragraphs shall be permitted.

2. Any State may at the time of signature, ratification or accession make reservations in respect of the following provisions of this Convention: article 12, paragraphs 2 and 3; article 13, paragraph 2; Article 14, paragraphs 1 and 2; Article 31, paragraph 1 (b), and Article 48.

3. A State which desires to become a Party but wishes to be authorized to make reservations other than those made in accordance with paragraph 2 of this article or with article 49 may inform the Secretary-General of such intention. Unless by the end of twelve months after the date of the Secretary-General's communication of the reservation concerned, this reservation has been objected to by one third of the States that have ratified or acceded to this Convention before the end of that period, it shall be deemed to be permitted, it being understood however that States which have, objected to the reservation need not assume towards the reserving State any legal obligation under this Convention which is affected by the reservation.

4. A State which has made reservations may at any time by notification in writing withdraw all or part of its reservations.

#### **Article 51. Notifications**

The Secretary-General shall notify to all the States referred to in paragraph 1 of article 40:

(a) Signatures, ratifications and accessions in accordance with article 40;

(b) The date upon which this Convention enters into force in accordance with article 41;

(c) Denunciations in accordance with article 46; and

(a) Declarations and notifications under articles 42, 43, 47, 49 and 50.

IN WITNESS THEREOF, the undersigned, duly authorized, have signed this Convention on behalf of their respective Governments:
