

## **DECLARATION**

I hereby declare that with the exception of my guidance and suggestion received from my supervisor, Dr. Suman Kapoor, Department of Zoology, Agra College, Agra this thesis entitled “**Nutritional studies of *Trichoplusia ni* with special emphasis to consumption, growth and utilization of food material and its control by synthetic pesticides and plant extract**”, is my unaided work. It is totally based upon the research work and investigation, carried out at sampling stations and the laboratory of Department of Zoology, Agra College, Agra.

**(Eshendra Kumar)**
