Acknowledgements

The present research work would not have been possible without the kind support and help of many individuals and organizations. I would like to extend my sincere thanks to all of them. It is a difficult task to list all the people who have contributed, directly and indirectly, to this thesis. I therefore apologize in advance for anyone missed to acknowledge.

First and foremost, my deepest gratitude and thanks to my supervisor Dr. Santosh S. Jadhav, for his guidance, constant supervision and moral support during the course of this research work. I deeply appreciate his research knowledge, enthusiasm and patience towards correcting both my stylistic and scientific errors, which made me able to complete this thesis within the stipulated period.

I am highly indebted to my friend, philosopher and mentor Dr. Rajaram S. Mane, Professor, School of Physical Sciences, Swami Ramanand Teerth Marathwada University, Nanded, for his expert and valuable guidance. His sharp comments, constructive criticism, thoughtful and insightful suggestions, ideas and observations at different stages of the research were thought-provoking and helped me focus on and improve the quality of this study. I am also thankful to him for providing all the research facilities at Center for Nano-materials and Energy Devices (CNED), School of Physical Sciences, Swami Ramanand Teerth Marathwada University, Nanded.

I would like to give special thanks to Dr. Y. B. Kollam, Assistant Professor, PDEA’s Baburaoji Gholap College, Sangvi, Pune for his time to time suggestions, intellectual guidance, valuable contribution, scientific discussions and constant encouragement during the course of research work. I further wish to express my sincere gratitude for his keen interest and stimulating discussion to plan and design this thesis.

During my Ph. D. thesis, I have been lucky to work in a research group that has helped me a lot and made the pleasant surrounding environment to work. I must express my gratitude to all my cheerful group of fellow teammates: Dr. Shoyeb Shaikh, Mr. Balaji Ghule, Mr. Siddheshwar Raut, Dr. Pritamkumar Shinde, Dr. Janardhan Shendkar, Dr. Ahemad Al-osta, Dr. Gangashekar Pasupula, Dr. Manohar Zate, Dr. Shyam Gore, Dr. Vijaykumar Jadhav, Dr. Umakant Tumberphale, Dr. Nanasaheb Shinde, Miss. Rashmi Sahrama, Miss. Zeean Parveen Shaikh and Mr. Sushil Sangale.
I would like to give special thanks to **Dr. Umesh Nakate**, School of Semiconductor and Chemical Engineering, Semiconductor Physics Research Center (SPRC) Chonbuk National University, Jeonju 54899, Jeollabuk-do, Republic of Korea (South Korea) for constant support and encouragement during my Ph.D. work.

I would like to thank **Prof. R. S. Khairnar**, Professor and Director, School of Physical Sciences, Swami Ramanand Teerth Marathwada University, Nanded for providing all the research facilities at the School of Physical Sciences. I am thankful to all teaching and non-teaching staff of School of Physical Sciences, Swami Ramanand Teerth Marathwada University, Nanded, for their kind support and cooperation during the work.

I sincerely thank **Dr. D. U. Gawai**, Principal, N.E.S Science College, Nanded and **Dr. N. P. Pawar**, Head, Department of Physics, N.E.S Science College, Nanded for providing technical support, and sample characterization facilities at research center.

I express my sincere and honest gratitude to **Dr. Balkrishna N. Zaware**, Principal, Baburaoji Gholap College, Sangvi, Pune for his constant encouragement. He was always full of useful suggestions when I encountered any issues and enthusiasm. I am also grateful to **Mr. Bharat U. Kangude**, Head, Department of Physics, Baburaoji Gholap College, Sangvi, Pune for the constant encouragement, high spirit of co-operation and moral support, which made my path easy-going. I am also thankful to my all teaching and non-teaching staff members of Baburaoji Gholap College, Sangvi, Pune, for their cooperation and maintaining favorable atmosphere during the research work.

I am highly grateful to **Dr. M. G. Chaskar**, Assistant Joint Secretary, PDEA and Principal, Ramkrishna More College, Akurdi, Pune for providing me facilities for getting UGC’s ‘Faculty Development Program’ and encouraging me in every respect.

I wish to give special thanks to **University Grants Commission (UGC)**, New Delhi for providing me two years Teacher Fellowship under Faculty Development Program (FDP) during XIIth Plan, for Ph. D. work.

I would like to express my sincere appreciation and deep regards to **Hon. Mr. Ajit Pawar**, President, Pune District Education Association, **Hon. Mr. Rajendra Ghadge**, Vice-President, Pune District Education Association and **Hon. Mr. Sandeep**.
Kadam, Hon. Secretary, Pune District Education Association for their constant support, encouragement during my research work and availing the facility of UGC’s ‘Faculty Development Program’.

I would also like to thank my friend Dr. Hiralal Sonawane, Ramkrishna More College, Akurdi, Pune, for providing me biological specimen, medicinal mushroom, *Ganoderma lucidum*.

From bottom of my heart and feelings, with great regards, I am thankful to my parents mother Suman, father Uttamrao and brother Sunil and sister Samata for their endless love and care. I would like to give my wholehearted thanks to my loving wife Swati for her astonished capacity to take all the burdens and responsibilities at home, moral support, devoted love and respect during my research work, due to which I could concentrate and complete my research work and submission of thesis within the nut shell. I also thank my beloved children Tushar and Disha and my nephews Ved and Atharv for giving me relief during my stay at home.

*Lastly, I wish to thank Almighty who provided me the spirit for this welfare.*

Satish U. Ekar
