ACKNOWLEDGEMENT

Thanks a lot to almighty God. Any achievement in the life of a human being is subject to the help and support, either explicitly or implicitly, of several well wishers. My doctoral thesis is no exception to it.

The sense of my sincerest gratitude and thankfulness goes first to my highly learned and honorable supervisor Prof. Awadhesh Kumar Rai under whose kind supervision this thesis has come to astonishing success and completion. I was fortunate enough to avail all resources of his genial inspiration and enthusiastic encouragement throughout the course of my work.

I am grateful to Prof. Pradeep Kumar, Head, Department of Physics, University of Allahabad for his constant motivation.

Most importantly, I would like to acknowledge Defence Research & Development Organization (DRDO), N. Delhi, for the financial assistance of this research work (Project No. ERIP/ER/04303481/M/01/787) and awarding me Junior Research Fellowship. Additional support received from Council of Scientific & Industrial Research (CSIR), HRDG, N. Delhi, who awarded me Senior Research Fellowship from April, 2008. I am also grateful to CSIR, N. Delhi for providing Young Scientist Travel Fellowship for attending the LIBS2008 conference held in Germany on September, 2008.

My special thanks is dedicated to Prof. S.N. Thakur and Prof. D. K. Rai (BHU, Varanasi) for all their help and suggestion in performing the experiments, writing the publications and for many pleasant conversation about all details of LIBS, with their unlimited understanding. I am also indebted much to Prof. S. B. Rai, Prof. B. P. Asthana, Prof. A. N. Singh and students of spectroscopy Lab, BHU for their encouragement and support to carryout some specific experimentation.

I am highly grateful to my all teachers who shaped my academic carrier. I would like to thank Prof. S. K. Kor, Prof. B. K. Agrawal, Prof. N. Chandra, Prof. V. Prakash, Prof. H. Prakash, Prof. V. K. Agrawal, Prof. V. K. Jaiswal, Prof. I. Malhotra, Prof. M. C. Sharma, Prof. Chitra Dar, Prof. I. M. L. Das, Dr. R. R. Yadav, Prof. A. K. Mittal, Prof. R. Prakash, Prof. R. Gopal, Prof. R. Kripal, Prof. B. K. Ghosh, Dr. A. C. Pandey, Dr. P.
S. Yadav, Dr. K. N. Uttam, Dr. Pratima, Dr. V. Tiwari, Dr. Lokendra Kumar, Dr. R. K. Anand, Dr. S. Dwivedi and Dr. A. Kumar for stimulating motivation and co-operation.

At this stage, I cannot forget to acknowledge all the office staffs of Physics Department, Allahabad University, specially Gulab Singh and Junior Gulab Singh.

It is a great pleasure to express my gratitude to Prof. J. P. Singh (ICET, Mississippi State University, USA) for his constant support and advice during my whole research work.

I am thankful to Dr. M. Z. Martin and Mrs. Shila Singh for their care and support provided to me during my participation in LIBS2008 conference in Germany.

I would also like to thank Dr. Geeta Watal, Department of Chemistry; Dr. S. S. Das and Dr. A. K. Rai, Department of Geology; Dr. T. Thomas, Department of Soil & Environmental Sciences, Allahabad Agricultural Institute; Prof. B. Rai, Department of Mathematics; Prof. G. K. Rai, Director, IPS, and Prof. A. K. Choudhary, Institute Instrumentation center, IIT, Roorkee, for encouragements and providing facilities.

My dissertation work owes a lot to Mr. Nilesh Kr. Rai, Mr. Vivek Kr. Singh, Mr. Abhimanyu Kr. Singh, Ms. Shikha Rai, and Mr. Ashok Kr. Pathak for their valuable time spent with me in the lab during the course of my experimentation. Hence I am extremely obliged to all of them. I want to express my profound thanks to Dr. Vijai Kr. Rai, Mr.Prashant Kr. Rai, Mr. Devendra Kr. Rai, as they always helped me in need during the course of my research work. I am deeply grateful to some really good friends, Shweta, Sadhana, Sanya, Ruchi, Monika for all her love, patience and support during the whole time of my thesis.

I shall fail in my duty if I don’t express my deepest sense of obligation and thankfulness to Mrs. Shanti Rai and rest of the family members Mr. Abhishek Kr. Rai, Dr(Mrs) Vinita Singh and Mr. Mithlesh Rai for full support and co-operation whenever I needed.

At the end I want to thank my parents Mr. Satish Pandhija and Mrs. Meena Pandhija and my dear brother Mr. Ravish Pandhija for all their support and understanding.

Finally, I express my sense of thankfulness and obligation to all others, who have directly or indirectly co-operated me.
Dedicated

To my

Grand Mother
