Acknowledgement

I feel elated in expressing my deep indebtedness to my esteemed, learned and ardent supervisor Dr. I.R. Siddiqui, Reader, Department of Chemistry, University of Allahabad for his creative guidance, valuable suggestions and perpetual encouragement throughout the progress of these investigations. Words would be inadequate to express my innate and opulent gratitude to him. His devotion to the cause of research, enthusiasm coupled with extreme patience and understanding will always be remembered. He took deep interest at every step of the work.

I would like to pay unlimited thanks to the Head, Department of Chemistry, University of Allahabad, Allahabad, Prof. A.K. Srivastava, magnanimous and clemmenced character never allowed me to feel any problem during the journey of my research work.

With deep sense of regards I express my sincere heartfelt thanks to Prof. J. Singh, Department of Chemistry, University of Allahabad for his enlighting discussion, continuous encouragement and suggestions during the course of my research work.

I feel great pleasure in recording my deep sense of obligation to Prof. L.D.S Yadav, Dr. R.K.P Singh and Dr. Geeta Watal Department of Chemistry, University of Allahabad for their unfailing interest during the course of investigation.

I am extremely appreciative towards my respected senior Dr. Pravin Kumar Singh, who always put my morale high and boosted me well as better as he could at every step of my research work.

I am extremely grateful to my co-operative and hilarious seniors Dr. Jaya Singh, Dr. Smriti Dwivedi, Dr. Pawan Shukla, Dr. Archana Srivastava, Dr. Shalini Jaiswal, Mr. Sanjay Yadav, Mrs. Naz Akhtar Siddiqui and Mr. Siraj Ahamed
Siddique for their enormous encouragement and moral support at every stage of my research work.

My greatest heartful gratitude to my colleagues Archana, Juki, Shayna and Devesh for their sincere help and encouragement given to me throughout progress of work.

I found a great deal of pleasure to express my special thanks to my friends, Dr. Manish, Dr. Rishi, Dr. Arpita, Dr. Priyanka, Vandana, Avind, Sumit, Vinod, Krishna Kumar, Satya Prakash, Narendra and Swati who always stood by me at time of need and provided enormous encouragement and moral support during the course of my research work.

Moreover, I would like to thank my dearest friend Rajkamal for his constructive encouragement and loving support during the entire course of my research work.

I feel great pleasure to express my thanks to all non-teaching staff of Department of Chemistry, University of Allahabad for their help whenever needed. I am also thankful to the Director, CDRI, Lucknow for recording spectral and elemental analysis.

In the last but not least, I pay my esteemed gratitude to my parents Mr. Vishwanath Prasad Srivastava & Mrs. Mithlesh Srivastava and maternal grandfather for their deep love, blessings and moral support to achieve my cherished goal.
