ACKNOWLEDGEMENT

First and foremost, I must bow in reverence to almighty GOD for providing me this opportunity and granting me the capability to bring this thesis to its completion.

I find no words adequate enough to express my deep sense of gratitude towards my esteemed Supervisor Dr. Anupam Jain, Professor, Department of Mathematics, Govt. College, Sanwer (M.P.). He has been a backbone all along to enable me to present this work. I shall never be able to repay for all that I have gained from him.

It is my pride privilege to express my sincere thanks which flows from the core of my heart to my co-supervisor Dr. Rajesh Kumar Sharma, Professor of Mathematics, Govt. Holkar Science College, Indore. Under his benevolence and able stewardship, I learned and ventured to write. I am indebted for life towards his tiresome efforts, splendid supervision and constant persistence throughout the course of investigation. It is because of his valuable guidance, that this work was able to take the shape in which it has been presented.

I owe a deep sense of gratitude to the past authorities of the Principal’s Office of Govt. Holkar College, Indore, Dr. Harbans Singh, Dr. S.L. Garg, and Dr. R. K. Sugnawat for providing me adequate facilities essential for the Ph.D. work.

I would like to extend my heartfelt gratitude to Dr. K.N. Chaturvedi, Principal, Govt. Holkar College, Indore for his enormous help towards the completion of this thesis. He has been a great source of positive support and enlightenment for me.

I wish to express my sincere gratitude to Dr. K. Shantaram, Retd. Prof. & Head, Dr. K.N. Rajeshwari, Prof. & Head and Dr. Mahesh Dumaldar, Department of Mathematics, DAVV university, Indore for their valuable guidance and great inspiration throughout my research.
I am thankful to Dr. V. Gadgil, Head of department of Geology and senior research scholar Mr. Shailesh Chourey, Asst. Prof., Dept. of Geology, for their timely help in getting TRF and study leave from the Govt.

It is a great pleasure to express my gratefulness to UGC, India for providing me TRF for the period of one year. I am also thankful to authorities of Govt. of M.P., Dept. of Higher Education for providing me study leave of one year.

I deeply acknowledge the tacit but substantial influence of Dr. S. L. Singh, Retd. Prof. of Mathematics, Guru Kalgri University, Hardwar(U.P.) and Dr. M. D. Mahajan, Retd. Prof. of Physics, as an incredible source of inspiration in my life. I feel profound pride and extreme good luck to have been able to experience the showers of his eminence and grace.

Most importantly, without the help and moral encouragement of Dr. Chitranjan Sharma, it would never have been possible for me to bring this thesis to its completion.

My warm and sincere thanks go to Dr. Vivek Reich, who helped me in the preparation of synopsis of this research and whose constructive criticism led way for to achieve my goal.

I thank profusely my beloved nephew Dr. Nikunj K. Jain, Asst. Prof., CE & CM Area, FORE School of Management, New Delhi for his scholarly advice and scientific approach towards building this thesis in its entire form and function.

I am thankful to Dr. Pradeep Joshi, Associate Prof., School of Computers, IPS Academy, Indore for his selfless and significant influence on this work. He has provided me with the requisite and adequate literature to begin with and has continued to do so throughout the journey of this thesis.

I sincerely express my deep gratitude to Dr. Ravindra Garg, Prof. & Head, Department of Mathematics, Govt. Holkar Science college, Indore for his excellent co-operation throughout this research.
I extend my warm and sincere thanks to my colleagues Prof. B. N. Namdeo, Mr. Sunil Sharma and Dr. Manoj Mishra, Dr Sanjay Jain, Dr. Sanjay Harne and Dr. R.C. Chandel, Geetanjali college, Bhopal for being the locus of my moral support and motivation.

I also wish to express my gratitude to my colleagues Smt. P. Khabia, Reid. Prof. of Mathematics, My teacher Dr. Madhu Tiwari, Mrs. P. Majumdar, Mrs. C. Randhawa and, Mrs. Hemlata Thakur, who so generously assisted me during the long period of the compilation of this thesis.

I would certainly be remiss to not mention and sincerely thank Dr. R. P. Gupt, Principal, Govt. H.S.S., Ingoriya, Ujjain, Mr. G. P. Kori, Librarian and Mrs. Meena Dijkstra, Asstt. Librarian ans Mrs. Ani Khambete of my institution for their unwavering support and assistance as and when required.

I extend my thankful regards to Ms. Madhvi Acharya for her intrinsic help, co-operation and good wishes.

I would also like to thank Mr. Satoshi Patel, Asst. Grade III, DAVV, Indore for his cooperation throughout the tenure of the thesis.

I would also like to appreciate the efforts of Mr. Pradeep Nagar for his considerable help and co-operation with the typing setting, printing and binding of this thesis.

My joy knows no bounds in introducing this thesis to my dear parents for their blessings, love and affection through and through. I must record my appreciation due to my younger brother Anurag, daughter Aayushi and son Sanshar for their love and support during the long period that I have taken to complete this thesis. Above all, my deepest gratitude goes to my wife Anupama, to whom this thesis is dedicated, for her infinite patience, continued support, and the loving encouragement in all walks of my life.

(Rajnish Jain)
