ACKNOWLEDGEMENTS

Man does a work in his name but there is always a physically hidden guiding force behind the working of human beings. The guiding force that cared me to complete this work is the constant presence of my Father Sh. Rai Singh around me whose holy blessings made me to lead a meaningful life and accomplish my goal.

Thanks giving may be a matter of mere formality in the case of others but with me it is an expression of heartfelt gratitude to my respected supervisor Dr. Rajender Singh Yadav, Professor & Dean, Faculty of Education, Kurukshtera University, Kurukshtera (Haryana), whose scholarly guidance, valuable suggestions, encouraging attitude and keen interest throughout the entire course of this study enabled me to accomplish this work. It has been my proud privilege to work under his guidance.

My sincere thanks are also due to Prof. Sangeeta, Chairperson, Department of Education, KUK, for her valuable, timely advice and support.

It is my humble duty and proud privilege to place on record my deep sense of gratitude and tremendous debt to Dr. Bajinder Singh Maan, Dr. Rajni Dhaiya and Dr. Jaideep Chauhan for their stimulating, valuable and readily available constructive suggestions and encouragement in completing this work.

I am also thankful to my mother, brother Anil, nephew Aarav and beloved Cousin brother Sukhaa, my wife Poonam and my sweet son, Sonit Jangra for providing me every kind of support that I needed from time to time. Without
