Acknowledgements

I have a pleasure in successful completion of this work entitled:

“Study the role of Information and Communication Technology (ICT) on organizational performance in the manufacturing industry in the rural area of Nashik District.”

The special environment of Nashik that always support research activities facilitated my work on this project.

I am very much thankful to Dr. Mahesh Abale HOD, Management, MIT School of Management, my research guide and research supervisor, for his encouraging guidance in this research work. Despite of his busy schedule, he found time to answer questions, offer suggestions, clarify points, and act as a final arbiter in matters of factual accuracy. It could not have been possible for me to complete this work without his valuable suggestions.

I am thankful towards Brig. (Dr.) R. K. Bhatia, my former research guide, for his valuable guidance, motivation, continuous support, disciplined work and parental approach which energized me to complete my work with great success.

I am thankful to the research study centre MIT School of Management, PGRC, Pune, which has been helpful in a way or other.

I acknowledge the support and encouragement extended for this research study by Dr. Mrs. Sayalee Gankar, director, MITSOM, Pune.

I am grateful for the support, encouragement and endless efforts by Mrs. Aparna Dixit.

I am very thankful to Dr. Mahesh A. Kulkarni and Dr. Mrs. Bhalerao for their valuable guidance.
I am grateful to my friend Mrs. Bhavana Shukla for her helping nature.
I am grateful to Mrs. Bhavana Shukla, Mrs. Indira Singh and colleagues for their help.

I am also thankful for the support and encouragement extended by Prof. B.W. Khalkar and Smt. Vidya Mudbakhe.

I am grateful to all the respondents.

I am very thankful to Shri. Prasad Borkar for his constant support in getting the industrial acquaintances.

I respect the works of the authors those who gave me insight and information related to the subject.

I appreciate the timely guidance and support of Mr. Milind Bhat.

I am thankful to my parents and guardians, Ishan and Gargi, who encouraged me to set a motive; with their help and support, I am able to contribute my little share.
