

Acknowledgement

It is a pleasant task to express my thanks to all those who contributed in many ways to the success of this study and made it an unforgettable experience for me.

It gives me an immense pleasure debt of gratitude to express my sincere thanks to my Ph.D. research guide, **Dr. Sandip K. Matariya**, Asst. Professor, Department of Chemistry, Smt. S.M.Panchal Science College ,Talod, Gujarat. This work would not have been possible without his guidance. His unwavering courage and persuasion will always inspire me, and I hope to continue to work with his noble thoughts. I successfully overcome many difficulties and learned a lot. Without his continual inspiration, it would have not been possible to complete this thesis.

I also be indebted to the deepest corner of heart, deepest sense of gratitude to **Dr. D.M. Purohit**, Associate Professor, Department of Chemistry, Shri M&N. Virani Science College, Rajkot (Gujarat) India. Despite of his busy schedule, He used to review my thesis progress, gave his valuable suggestions and made corrections..

Who in this world can entirely and adequately thank the parents who have given us everything that was possess in this life? The life itself is their gift to us, so I am at loss of words in which to own my most esteemed father **Late Parashnath Singh** and my loving Mother **Smt. Mira P. Singh**. Through the stress and strain of this study, my wife **Priyanka** and son **Shreyash** have encouraged me to reach my destination; I would be remised if I failed to express my special gratitude to my maternal grandfather **Shri. Upendra Mohan Singh** and all other family members.

I am deeply indebted to the **Mr. Snehal R. Patel (Director of SPC Lifesciences Pvt.Ltd. Baroda)** for his inspiration and kind support for providing me research facilities, chemicals and glass wares. Without his support research work would have not been possible.

I feel great pleasure to acknowledge my deepest sense of indebtedness to **Dr. Veena Pandit, Dr. Vipul Bhua, Mr. Jayesh Patel, Mr. Pushkar Bhanuprakash, Shri K.P.Gupta and Smt. Punam K. Gupta** for their invaluable inspiration and moral support through the course of my research work.

I gratefully acknowledge the most willing help and co-operation shown by NFDD, Department of Chemistry, Rajkot (Gujarat) India for spectral studies.

Finally, I express my grateful acknowledgement to all who directly or indirectly helped me, but I forgot to acknowledge them.
