

ACKNOWLEDGEMENT

I would like to convey my most deep sense of gratitude to my respected supervisor, Dr. Mahendra Nath Roy, Professor, Department of Chemistry, University of North Bengal, Darjeeling, India. During my research period, I have received constant guidance, valuable suggestions and inspiration from him. The trust, encouragement and “the liberty to work” afforded by him during my research work is very much appreciable. Without his affectionate care, responsible guidance, and priceless supervision, it would have never been possible for me to bring the present form of this thesis.

My Special thanks to our Hon’ble Head and Professor of Chemistry, NBU, Prof. Pranab Ghosh for his continuous and comprehensive suggestion and guidance.

I also articulate my profound sense of gratitude to the honourable faculty members’ viz. Prof. S. K. Saha, Prof. A. K. Panda, Prof. B. Basu, Prof. A. K. Nanda, Prof. A. Misra, Dr. B. Sinha, Dr. S. Das of Department of Chemistry, University of North Bengal for their helpful assistance and continual inspiration during the course of my research. I am grateful to the University authority for providing laboratory facilities, especially USIC (CMEF), NBU for giving me instrumental facilities.

My truthful gratefulness to my father, Mr. Rabindra Nath Ghosh, my mother, Mrs. Tapashi Ghosh and my elder brother, Mr. Rana Ghosh for their constant supports, encouragements and contributions with a view to building my career and their

continuous inspiration went a long way to the completion of the thesis.

I would like to thank Dr. Deepak Ekka, Dr. Kanak Roy, Dr. Subhadeep Saha, Mr. Niloy Roy, Miss. Koyeli Das, Mr. Samir Das, Mr. Biraj K. Barman and all of lab mates for their valuable assistance, suggestion and cooperation during my research work. My special thanks go to Mr. Biplab Roy, Dr. Gulmi Chakrobarty, Mr. Rabindranath Singha and stakeholders of RS Hostel (Boys), NBU.

Finally, I would like to express my acknowledgement to the University Grants Commissions' Special Assistance Programme Departmental Research Support-III (SAP-DRS-III). I am also thankful to the 'ONE TIME GRANT' Ref No. F.4-10/2010(BSR) awarded to my Supervisor, Prof. Mahendra N. Roy, under Basic Scientific Research (BSR), UGC, New Delhi for financial and instrumental assistance in connection with my research works.
