

ACKNOWLEDGEMENTS

With Great pleasure, I express my deep hearted and sincere gratitude to *Dr. Thukaram M.*, Professor, Department of Physics, MIT, Manipal for his continuous inspiration, encouragement and unstinted guidance at all stages of this research programme. I always cherish and remember the keen interest, support and patience shown by *Dr. Thukaram M.*, towards my work. I am also grateful to my co-guide *Dr. Mohandas Chadaga*, Professor and Head of the Department of Civil Engineering, MIT, Manipal. I am extremely thankful and indebted to him for sharing expertise and sincere valuable guidance and encouragement extended to me.

I am grateful to all the former Directors of MIT, Manipal, during the course work and the present Director, *Dr. Gopalakrishna Prabhu* for permitting me to make use of the institutional facilities.

My heartfelt gratitude is also due to *Prof. Ashok Rao*, the former Head of the Department of Physics, and also to *Prof. Vyasa Upadhyaya*, the present Head of the Department of Physics for continuously encouraging and permitting to use the departmental facilities in completing the work.

I acknowledge my sincere gratitude to the timely guidance and suggestions given by *Dr. Srinivas Aithal*, Professor, Department of Physics, *Dr. Sripathi Punchithaya*, Professor, Department of Physics, *Dr. Mamatha D Daivajna*, Assistant Professor, Department of Physics and *Dr. Raviraj Adhikari*, Associate Director (R&D), Professor, Department of Mechanical Engineering, the Members of the Research Progress Assessment Committee.

It is my privilege to thank sincerely all *the faculty members* and *non-teaching staff* of Department of Physics, MIT, Manipal for their help and continuous encouragement during my research work.

It is with sincere and deep-hearted thanks, I remember forever **Dr. Gangadhar Bhat H.**, Reader, **Marine Geology** Department of Mangalore University for his enthusiastic encouragement, keen involvement and elaborative discussions at every stage of my work.

My endless heartfelt gratitude goes to my **parents, brother, sister** and **family members** for their encouragement and dream to see me successful in every aspect from childhood up to this level. The outcome of this thesis was possible due to the sole encouragement of my family members. They have indeed with me throughout my career and I sincerely record my deep-hearted gratitude to each of them. My special appreciation and deep-hearted acknowledgements to my husband, **Dr. B. Naveenchandra** and my son **Anudeep** for their patience and help rendered throughout this research work.

I also wish to place on record my sincere acknowledgement to National Remote Sensing Agency, Hyderabad (now National Remote Sensing Service Center), for providing the remote sensing data at concessional rates. I also extend my gratitude to all the officials of Bhoomi Foundation of GeoInformatics and Natural Resouces Management and Mangalore University for providing GIS/GPS infrastructure and other government departments for providing me the necessary data. My sincere thanks to the Director of P U Board of Education Bangalore, former principal **Suresh Thunga**, present principal **Jagadeeshkumar** for giving permission to do Ph.D. and all the staff members of G.P.U.College for Girls-Udupi. My sincere thanks are due to all those who have helped me directly or indirectly in completing this work.

I would also like to thank **Mr. Suresh N** for helping me in alignment of pages and printing this book of mine.

Yours sincerely,

Usha
