

ACKNOWLEDGEMENTS

The completion of this research work would not have been possible without the encouragement, help and support of many individuals. It is my privilege to thank the people who have supported and guided me throughout this research work.

I am grateful to **Dr. Francis C. Peter**, Vice Chancellor and **Dr. L. Mahesh Kumar**, Registrar, St. Peter's Institute of Higher Education and Research, Avadi, Chennai, for giving me an opportunity to carry out my research in this Institute.

I also thank **Dr. S. Gunasekaran**, Dean, R &D, St. Peter's Institute of Higher Education and Research and **Dr. R. Latha**, Professor and Head, Department of Computer Science and Applications and the staff members of the Department of Computer Applications, St. Peter's Institute of Higher Education and Research, for their help during this research.

I am forever grateful to my research supervisor **Dr. G. Murugaboopathi**, Associate Professor, Department of Computer Science and Engineering, Kalasalingam Academy of Research and Education, Krishnankovil, for his enthusiasm, guidance and persistent support throughout the research process. I would like to express my sincere gratitude to him for his continuous encouragement, insightful suggestions, consecutive inputs and support to the research.

My solemn thanks also goes to doctoral committee members **Dr. N. Sankar Ram**, Professor and Head, Department of Computer Science and Engineering, Sriram Engineering College, Chennai and **Dr. R. Latha**, Professor and Head, Department of Computer Science and Applications, St. Peter's Institute of Higher Education and Research, Avadi, Chennai, who has provided valuable suggestions to my research work.

I am extremely indebted to the Management, faculty members and others who have directly or indirectly lend their valuable support during the course of my research work.

I specially thank my parents and wife who have been encouraging, supportive and shown belief in me and my work. Thank you all for completing my research.
