

## LIST OF TABLES

TABLES	DESCRIPTION	PAGE NO.
3.1	Reliability Coefficient of The Study of Values Test	77
3.1.1	Reliability Coefficient of The study of Values Test	78
3.2	Description of items in Patterns of Family Relationship	79
3.3	Distribution of items in Patterns of Family Relationship Inventory	81
3.4	Split-Half Reliability Coefficients for Six Dimensions of School Environment Inventory	83
4.1	Mean, Median, Mode, Standard Deviation, Skewness and Kurtosis of scores of Senior Secondary School Adolescents with regard To Self-Disclosure Along with its areas (N=600)	86
4.2	Mean, Median, Mode, Standard Deviation, Skewness and Kurtosis of scores of Senior Secondary School Adolescents with regard to areas of Values (N=600)	89
4.3	Mean, Median, Mode, Standard Deviation, Skewness and Kurtosis of scores of Senior Secondary School Adolescents with regard to Family Relationship along with its Patterns (N=600)	96
4.4	Mean, Median, Mode, Standard Deviation, Skewness and Kurtosis of scores of Senior Secondary School Adolescents with regard to School Environment along with its Dimensions (N=600)	100
4.5	Coefficients of Correlation (r) For Family Relationship and Self-Disclosure along with its various Areas (N=600)	103
4.6	Correlation between Parental Acceptance (Pattern of Family Relationship) and Self-Disclosure along with its various Areas (N=600)	105
4.7	Correlation between Parental Concentration (Pattern of Family Relationship) and Self-Disclosure along with its various Areas (N=600)	106
4.8	Correlation between Parental Avoidance (Pattern of Family Relationship) and Self-Disclosure along with its various Areas (N=600)	108
4.9	Correlation between Mother Acceptance (Pattern of Family Relationship) and Self-Disclosure along with its various Areas (N=600)	109
4.10	Correlation between Father Acceptance (Pattern of Family Relationship) and Self-Disclosure along with its various Areas (N=600)	111

4.11	Correlation between Mother Concentration (Pattern of Family Relationship) and Self-Disclosure along with its various Areas (N=600)	112
4.12	Correlation between Father Concentration (Pattern of Family Relationship) and Self-Disclosure along with its various Areas (N=600)	114
4.13	Correlation between Mother Avoidance (Pattern of Family Relationship) and Self-Disclosure along with its various Areas (N=600)	115
4.14	Correlation between Father Avoidance (Pattern of Family Relationship) and Self-Disclosure along with its various Areas (N=600)	117
4.15	Coefficient of Correlation (r) for School Environment and Self-Disclosure along with its Areas (N=600)	118
4.16	Coefficient of Correlation (r) for Creative Stimulation (Dimension of School Environment) and Self-Disclosure Along with its various Areas (N=600)	120
4.17	Coefficient of Correlation (r) for Cognitive Encouragement (Dimension of School Environment) and Self-Disclosure along with its various Areas (N=600)	121
4.18	Coefficient of Correlation (r) for Permissiveness (Dimension of School Environment) and Self-Disclosure along with its various Areas (N=600)	123
4.19	Coefficient of Correlation (r) for Acceptance (Dimension of School Environment) and Self-Disclosure along with its various Areas (N=600)	124
4.20	Coefficient of Correlation (r) for Rejection (Dimension of School Environment) and Self-Disclosure along with its various Areas (N=600)	126
4.21	Coefficient of Correlation (r) for Control (Dimension of School Environment) and Self-Disclosure along with its various Areas (N=600)	127
4.22	Coefficient of Correlation (r) for Family Relationship and various Areas of Values (N=600)	129
4.23	Coefficient of Correlation (r) for Parental Acceptance (Pattern of Family Relationship) and various Areas of Values (N=600)	130
4.24	Coefficient of Correlation (r) for Parental Concentration (Pattern Of Family Relationship) and various Areas of Values (N=600)	132
4.25	Coefficient of Correlation (r) for Parental Avoidance (Pattern of Family Relationship) and various Areas of Values (N=600)	133
4.26	Coefficient of Correlation (r) for Mother Acceptance (Pattern of Family Relationship) and various Areas of Values (N=600)	135
4.27	Coefficient of Correlation (r) for Father Acceptance (Pattern of Family Relationship) and Values of Adolescents (N=600)	136

4.28	Coefficient of Correlation (r) for Mother Concentration (Pattern of Family Relationship) and Values of Adolescents (N=600)	138
4.29	Coefficient of Correlation (r) for Father Concentration (Pattern of Family Relationship) and Values of Adolescents (N=600)	139
4.30	Coefficient of Correlation (r) for Mother Avoidance (Pattern of Family Relationship) and Values of Adolescents (N=600)	141
4.31	Coefficient of Correlation (r) for Father Avoidance (Pattern of Family Relationship) and Values of Adolescents (N=600)	142
4.32	Coefficient of Correlation (r) of School Environment and Values of Adolescents (N=600)	144
4.33	Coefficient of Correlation (r) of Creative Stimulation (Dimension of School Environment) and Values of Adolescents (N=600)	145
4.34	Coefficient of Correlation (r) of Cognitive Encouragement (Dimension of School Environment) and Values of Adolescents (N=600)	147
4.35	Coefficient of Correlation (r) of Permissiveness (Dimension of School Environment) and Values of Adolescents (N=600)	148
4.36	Coefficient of Correlation (r) of Acceptance (Dimension of School Environment) and values of Adolescents (N=600)	150
4.37	Coefficient of Correlation (r) of Rejection (Dimension of School Environment) and Values of Adolescents (N=600)	151
4.38	Coefficient of Correlation (r) of Control (Dimension of School Environment) and Values of Adolescents (N=600)	153
4.39	Difference Between Mean Scores of Government and Private Senior Secondary Schools' Adolescent Students with regard to Self-Disclosure along with its various Areas	155
4.40	Difference Between Mean Scores of Government and Private Senior Secondary Schools' Adolescent Students with regard to Areas of Values	157
4.41	Difference Between Mean Scores of Government and Private Senior Secondary Schools' Adolescent Students with regard to Family Relationship (N=600)	159
4.42	Difference Between Mean Scores of Government and Private Senior Secondary Schools' Adolescent Students with regard to Mother Acceptance, Father Acceptance and Parental Acceptance (Patterns of Family Relationship) N=600	160
4.43	Difference Between Mean Scores of Government and Private Senior Secondary Schools' Adolescent Students with regard to Mother Concentration, Father Concentration and Parental Concentration (Patterns Of Family Relationship) N=600	161

4.44	Difference Between Mean Scores of Government and Private Senior Secondary Schools' Adolescent Students with regard to Mother Avoidance, Father Avoidance and Parental Avoidance (Patterns of Family Relationship) N=600	163
4.45	Difference Between Mean Scores of Government and Private Senior Secondary Schools' Adolescent Students with regard to School Environment along with its various Dimensions	164
4.46	Difference Between Mean Scores of Male and Female Adolescents of Senior Secondary Schools with regard to Self-Disclosure along with its various Areas	166
4.47	Difference Between Mean Scores of Male and Female Adolescents of Senior Secondary Schools with regard to Areas of Values	168
4.48	Difference Between Mean Scores of Male and Female Adolescents of Senior Secondary Schools with regard to Family Relationship	169
4.49	Difference Between Mean Scores of Male and Female Adolescents of Senior Secondary Schools with regard to Mother Acceptance, Father Acceptance and Parental Acceptance (Patterns of Family Relationship)	170
4.50	Difference Between Mean Scores of Male and Female Adolescents of Senior Secondary Schools with regard to Mother Concentration, Father Concentration and Parental Concentration (Patterns of Family Relationship)	172
4.51	Difference Between Mean Scores of Male and Female Adolescents of Senior Secondary Schools with regard to Mother Avoidance, Father Avoidance and Parental Avoidance (Patterns of Family Relationship)	173
4.52	Difference Between Mean Scores of Male and Female Adolescents of Senior Secondary Schools with regard to School Environment Along with Its Various Dimensions	175
4.53	Difference Between Mean Scores of Urban and Rural Adolescent Students of Senior Secondary Schools with regard to Self-Disclosure Along With Its Various Areas	177
4.54	Difference Between Mean Scores of Urban and Rural Adolescent Students of Senior Secondary Schools with regard to Areas of Values	179
4.55	Difference Between Mean Scores of Urban and Rural Adolescent Students of Senior Secondary Schools with regard to Family Relationship (N=600)	180
4.56	Difference Between Mean Scores of Urban and Rural Adolescent Students of Senior Secondary Schools with regard to Mother Acceptance, Father Acceptance and Parental Acceptance (N=600)	182
4.57	Difference Between Mean Scores of Urban and Rural Adolescent Students of Senior Secondary Schools with regard to Mother Concentration, Father Concentration and Parental Concentration (N=600)	183

4.58	Difference Between Mean Scores of Urban and Rural Adolescent Students of Senior Secondary Schools with regard to Mother Avoidance, Father Avoidance and Parental Avoidance (N=600)	185
4.59	Difference Between Mean Scores of Urban and Rural Adolescent Students of Senior Secondary Schools with regard to School Environment along with its various Dimensions	186

## LIST OF FIGURES

FIGURES	DESCRIPTION	PAGE NO.
4.1	Normal Skewness and Kurtosis Curve for Self-Disclosure	87
4.2	Normal Skewness and Kurtosis Curve for Theoretical Values	90
4.3	Normal Skewness and Kurtosis Curve for Economic Values	91
4.4	Normal Skewness and Kurtosis Curve for Aesthetic Values	92
4.5	Normal Skewness and Kurtosis Curve for Social Values	93
4.6	Normal Skewness and Kurtosis Curve for Political Values	94
4.7	Normal Skewness and Kurtosis Curve for Religious Values	95
4.8	Normal Skewness and Kurtosis Curve for Family Relationship	97
4.9	Normal Skewness and Kurtosis Curve for School Environment	101
4.10	Coefficients of correlation (r) for Family Relationship with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	104
4.11	Coefficients of correlation (r) for Parental Acceptance (Pattern of Family Relationship) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	105
4.12	Coefficients of correlation (r) for Parental Concentration (Pattern of Family Relationship) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	107
4.13	Coefficients of correlation (r) for Parental Avoidance (Pattern of Family Relationship) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	108
4.14	Coefficients of correlation (r) for Mother Acceptance (Pattern of Family Relationship) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	110
4.15	Coefficients of correlation (r) for Father Acceptance (Pattern of Family Relationship) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	111
4.16	Coefficients of correlation (r) for Mother Concentration (Pattern of Family Relationship) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	113

4.17	Coefficients of correlation (r) for Father Concentration (Pattern of Family Relationship) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	114
4.18	Coefficients of correlation (r) for Mother Avoidance (Pattern of Family Relationship) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	116
4.19	Coefficients of correlation (r) for Father Avoidance (Pattern of Family Relationship) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	117
4.20	Coefficients of correlation (r) for School Environment with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	119
4.21	Coefficients of correlation (r) for Creative Stimulation (Dimension of School Environment) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	120
4.22	Coefficients of correlation (r) for Cognitive Encouragement (Dimension of School Environment) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	122
4.23	Coefficients of correlation (r) for Permissiveness (Dimension of School Environment) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	123
4.24	Coefficients of correlation (r) for Acceptance (Dimension of School Environment) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	125
4.25	Coefficients of correlation (r) for Rejection (Dimension of School Environment) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	126
4.26	Coefficients of correlation (r) for Control (Dimension of School Environment) with regard to Self-Disclosure & its various areas of Adolescents of Senior Secondary Schools (N = 600)	128
4.27	Coefficients of correlation (r) for Family Relationship with regard to areas of Values of Adolescents of Senior Secondary Schools (N = 600)	129
4.28	Coefficients of correlation (r) for Parental Acceptance (Pattern of Family Relationship) with regard to various areas of values of Adolescents of Senior Secondary Schools (N = 600)	131

4.29	Coefficients of correlation (r) for Parental Concentration (Pattern of Family Relationship) with regard to various areas of Values of Adolescents of Senior Secondary Schools (N = 600)	132
4.30	Coefficients of correlation (r) for Parental Avoidance (Pattern of Family Relationship) with regard to various areas of Values of Adolescents of Senior Secondary Schools (N = 600)	134
4.31	Coefficients of correlation (r) for Mother Acceptance (Pattern of Family Relationship) with regard to Values of Adolescents of Senior Secondary Schools (N = 600)	135
4.32	Coefficients of correlation (r) for Father Acceptance (Pattern of Family Relationship) with regard to various areas of Values of Adolescents of Senior Secondary Schools (N = 600)	137
4.33	Coefficients of correlation (r) for Mother Concentration (Pattern of Family Relationship) with regard to various areas of Values of Adolescents of Senior Secondary Schools (N = 600)	138
4.34	Coefficients of correlation (r) for Father Concentration (Pattern of Family Relationship) with regard to various areas of Values of Adolescents of Senior Secondary Schools (N = 600)	140
4.35	Coefficients of correlation (r) for Mother Avoidance (Pattern of Family Relationship) with regard to various areas of Values of Adolescents of Senior Secondary Schools (N = 600)	141
4.36	Coefficients of correlation (r) for Father Avoidance (Pattern of Family Relationship) with regard to various areas of Values of Adolescents of Senior Secondary Schools (N = 600)	143
4.37	Coefficients of correlation (r) for School Environment with regard to various areas of Values of Adolescents of Senior Secondary Schools (N = 600)	144
4.38	Coefficients of correlation (r) for Creative Stimulation (Dimension of School Environment) with regard to various areas of Values of Adolescents of Senior Secondary Schools (N = 600)	146
4.39	Coefficients of correlation (r) for Cognitive Encouragement (Dimension of School Environment) with regard to areas of Values of Adolescents of Senior Secondary Schools (N = 600)	147
4.40	Coefficients of correlation (r) for Permissiveness (Dimension of School Environment) with regard to various areas of Values of Adolescents of Senior Secondary Schools (N = 600)	149

4.41	Coefficients of correlation (r) for Acceptance (Dimension of School Environment) with regard to various areas of Values of Adolescents of Senior Secondary Schools (N = 600)	150
4.42	Coefficients of correlation (r) for Rejection (Dimension of School Environment) with regard to various areas of Values of Adolescents of Senior Secondary Schools (N = 600)	152
4.43	Coefficients of correlation (r) for Control (Dimension of School Environment) with regard to various areas of Values of Adolescents of Senior Secondary Schools (N = 600)	153
4.44	Difference between mean scores of Government and Private Senior Secondary Schools' Adolescents in terms of Self-Disclosure along with its various areas	156
4.45	Difference between mean scores of Government and Private Senior Secondary Schools' Adolescents in terms of various areas of Values	158
4.46	Difference between mean scores of Government and Private Senior Secondary Schools' Adolescents in terms of Family Relationship	159
4.47	Difference between mean scores of Government and Private Senior Secondary Schools' Adolescents in terms of Mother Acceptance, Father Acceptance and Parental Acceptance (Patterns of Family Relationship)	160
4.48	Difference between mean scores of Government and Private Senior Secondary Schools' Adolescents in terms of Mother Concentration, Father Concentration and Parental Concentration (Patterns of Family Relationship)	162
4.49	Difference between mean scores of Government and Private Senior Secondary Schools' Adolescents in terms of Mother Avoidance, Father Avoidance and Parental Avoidance (Patterns of Family Relationship)	163
4.50	Difference between mean scores of Government and Private Senior Secondary Schools' Adolescents in terms of School Environment along with its various Dimensions	165
4.51	Difference between mean scores of Male and Female Adolescents of Senior Secondary Schools in term of Self-Disclosure along with its various areas	167
4.52	Difference between mean scores of Male and Female Adolescents of Senior Secondary Schools in terms of various areas of Values	168
4.53	Difference between mean scores of Male and Female Adolescents of Senior Secondary Schools in term of Family Relationship (N= 600)	170
4.54	Difference between mean scores of Male and Female Adolescents of Senior Secondary Schools in terms of Mother Acceptance, Father Acceptance and Parental Acceptance (N= 600)	171

4.55	Difference between mean scores of Male and Female Adolescents of Senior Secondary Schools in terms of Mother Concentration, Father Concentration and Parental Concentration (N= 600)	172
4.56	Difference between mean scores of Male and Female Adolescents of Senior Secondary Schools in terms of mother Avoidance, Father Avoidance and Parental Avoidance (N= 600)	174
4.57	Difference between mean scores of Male and Female Adolescents of Senior Secondary Schools in terms of School Environment along with its various Dimensions (N= 600)	176
4.58	Difference between mean scores of Urban and Rural Adolescents Senior Secondary Schools in terms of Self-Disclosure along with its various Areas (N= 600)	178
4.59	Difference between mean scores of Urban and Rural Adolescents Senior Secondary Schools in terms of areas of Values	179
4.60	Difference between mean scores of Urban and Rural Adolescents Senior Secondary Schools in term of Family Relationship (N=600)	181
4.61	Difference between mean scores of Urban and Rural Adolescents Senior Secondary Schools in terms of Mother Acceptance, Father Acceptance and Parental Acceptance (Patterns of Family Relationship)	182
4.62	Difference between mean scores of Urban and Rural Adolescents Senior Secondary Schools in terms of mother concentration, father concentration and parental concentration (Patterns of Family Relationship)	184
4.63	Difference between mean scores of Urban and Rural Adolescents Senior Secondary Schools in terms of mother avoidance, father avoidance and parental avoidance (Patterns of Family Relationship)	185
4.64	Difference between mean scores of Urban and Rural Adolescents Senior Secondary Schools in terms of School Environment along with its various Dimensions	187
