

LIST OF FIGURES

Figures	Title	Page No.
Figure No. 1	Map showing the location of the study site	36
Figure No. 2(a)	Monthly fluctuation in Atmospheric Temperature of the experimental areas	49
Figure No. 2(b)	Monthly fluctuation in Rain fall of the experimental areas	49
Figure No. 2(c)	Monthly fluctuation in Relative Humidity of the experimental areas	49
Figure No. 3(a)	Monthly fluctuation in Water Temperature of pond water	51
Figure No. 3(b)	Monthly fluctuation in pH of pond water	51
Figure No. 3(c)	Monthly fluctuation in Dissolved oxygen of pond water	51
Figure No. 4(a)	Monthly fluctuation in Specific conductivity of pond water.	53
Figure No. 4(b)	Monthly fluctuation in Total alkalinity of pond water.	53
Figure No. 4(c)	Monthly fluctuation in Total hardness of pond water.	53
Figure No. 5(a)	Monthly fluctuation in Turbidity of pond water	56
Figure No. 5(b)	Monthly fluctuation in Total dissolved solids of pond water	56
Figure No. 6(a)	Monthly fluctuation in Gross Primary Productivity of pond water	59
Figure No. 6(b)	Monthly fluctuation in Net Primary Productivity of pond water	59
Figure No. 7(a)	Monthly fluctuation in pH of the sediment	62
Figure No. 7(b)	Monthly fluctuation in Organic carbon of the sediment	62
Figure No. 8(a)	Monthly fluctuation in Available nitrogen of the sediment	64
Figure No. 8(b)	Monthly fluctuation in Available phosphorus of the sediment	64
Figure No. 9(a)	Monthly variation in abundance of Phytoplankton of the experimental ponds	68
Figure No. 9(b)	Monthly variation in abundance of Zooplankton of the experimental ponds	68
Figure No. 10(a)	Species composition of net fish production in Non- integrated pond (C)	73
Figure	Species composition of net fish production in Integrated pond	73
