**CERTIFICATE**

It gives me great pleasure in forwarding the Thesis of Mr Dinesh Chandra, MSc (Botany), entitled "STUDY OF COMBINING ABILITY THROUGH LINE X TESTER ANALYSIS IN WHEAT (*T AESTIVUM* AND *T DURUM*)" for the acceptance of the Degree of Doctor of Philosophy in Botany.

Mr Dinesh Chandra has been working for the research work since 18<sup>th</sup> April, 2002 (vide No Res 8/ dated 18/4/2002) and has completed the research work for the full period of 24 months as prescribed under Clause 14 of the PhD Ordinances and that the thesis embodies his original research work done in the Research Laboratory, Post-graduate Department of Botany in this Institution and the Research farm, R B S College, Bichpuri, Agra.

He worked under my supervision as a PhD research scholar, to the full satisfaction during his course of investigation and was also awarded the University Research Fellowship by Dr B R Ambedkar University, Agra.
