

Acknowledgements

It gives me immense pleasure to avail myself of this opportunity to express my sincere thanks and profound sense of indebtedness to my supervisor, Dr. T.P. Mall, Reader & Head, Postgraduate Department of Botany, Kisan P.G. College, Bahraich (U.P.), for his guidance and support. His invaluable suggestions and his painstaking efforts have further helped me immensely to organise my work in its present form.

It is my pleasure to extend my deepest sense of gratitude to Prof. Kamal Emeritus Scientist Ex.- Prof. & Head, Department of Botany, D.D.U. Gorakhpur University, Gorakhpur, for his help in many ways.

My most sincere thanks are due to Prof. S.K. Singh (Retd. Prof. & Head) Department of Botany, D.D.U. Gorakhpur University, Gorakhpur, a well known plant taxonomists of the country, for cordial help in identification of host plants and valuable suggestion.

I am grateful to Shri Mohd. Ahsan, Chief Wildlife Warden, Govt. of Uttar Pradesh, Lucknow and Shri Ramesh Pandey D.F.O Katarniaghat Wildlife Sanctuary who very kindly extended me the permission to explore the vegetation under their command.

I do extend my most sincere thanks to Dr. S.P. Singh, Principal, Kisan P.G. College, Bahraich, for providing library and laboratory facilities. I wish to extend thanks to my respected teachers Dr. S.C. Tripathi, Dr. S.C. Shukla, Dr. P.K. Singh, Dr. R.K. Singh and other members of the department for their constant inspiration and co-operation.

I am thankful to Chief Curator, H.C.I.O., IARI, New Delhi for providing accession numbers of Holotypes of all the fungal specimens deposited. I also record my thanks to Shri R. Kumar, Business Manager, Indian Phytopathological Society, IARI, Pusa Campus, New Delhi for encouragement and suggestion .

I wish to extend my sincere thanks to Prof. S.C. Tripathi, Head, Deptt. of Botany, D.D.U. Gorakhpur University, Gorakhpur for his valuable suggestions, support and providing library and laboratory facilities.

I wish to extend my thanks to Dr. S.K. Srivastava Head, Department of Botany, L.B.S. P.G. College, Gonda, for his help & encouragement.

I also pay my profound regards to Dr. V.K. Pal, Deptt. of Botany, S.M.P.G. College, Gorakhpur for his help and cordial support. My sincere thanks to Dr. A.K. Mall, Plant Breeder, Central Rice Research Institute, Cuttack and Smt. Arti Mall for her blessings and loving care during the course of this work. I wish to extend my grateful thanks to Km. Shraddha Mall, Lecturer, Department of English Mahila P.G. College, Bahraich for her help and cordial support. My thanks are also due to my research colleagues for their helpful comments. I also take this opportunity to express my gratefulness to all who have helped in any way towards the completion of this study.

I express my heartiest respect to my parents Shri Uday Bhan Singh and Smt. Radha Singh, my elder brother Jitendra Pratap Singh, younger brother Satyendra Pratap Singh, family members Smt. Urmila Singh, Antima Singh, Priya Singh and Gyanendra Pratap Singh and others who have been a constant source of inspiration throughout, whose blessful hands have led me to complete this work.

Finally a word of appreciation is due to Shri Balram Kumar, Maa Vaishno Computer, Near B.S.N.L. Exchange, Shastri Chowk, Gorakhpur for typing this manuscript with care and precision.
