

Acknowledgement

I bow in reverence to creator of this beautiful universe "GOD" who has gifted a life and everlasting spirit and soul. Simultaneously, I close my eyes and remember to my Gurudeva "Sri Paramhans Yoganand Ji", a Premavatar, "In Carnation of Love", whose perpetual affection, love and blessings strengthened me to understand the complex matter of facts that exist in my life.

The successful completion of any research work is a matter of great endurance, but because of the help, co-operation and support by many associated directly or indirectly, makes the task entirely enjoyable and simple. Likewise, in completion of my research work I was fortunate to be helped and co-operated by many people and with great pleasure I express my deep sense of gratitude to all of them.

Without a reverend supervisor no one can imagine to initiate any task, in this context, I am very fortunate to be supervised by such a reverend research supervisor - Dr. D.D. Tewari, Reader, Department of Botany, M.L.K.P.G. College, Balrampur, U.P. For me, he always put his care, support and affection as a guardian. I got a constant source of encouragement and care during entire work.

I would like to express my deep sense of obligation to Dr. J.P. Tewari, Former Head, Department of Botany, M.L.K.P.G. College, Balrampur, U.P. who always provided valuable suggestions and supported me, whenever, it was required.

Humbly, I express my gratitude for Dr. D.S. Shukla, Reader, Dr. R. K. Pandey and Dr. N. K. Singh, Head, Department of Botany, M.L.K.P.G. College, Balrampur, U.P. for their encouragement.

I express my thanks to my seniors/collagues at Balrampur - Dr. Pankaj Gupta, Dr. Sunil Mishra, Dr. Paritosh Sinha, Dr. Garima Srivastava, Dr. Subodh Srivastava, Dr. Sunil Srivastava, Dr. Himanshu Dhar Diwedi and Dr. Nafees Ansari for providing me valuable support and suggestions.

I am highly thankful to Dr. Vimal Chandra Pandery, Post Doctoral Fellow (PDF), Dr. Bheem Rao Ambedkar University, Lucknow who ignited my interest of research and co-operated at his level of best. Really, I am heartily thankful to him for such a support and co-

operation. Similarly, I pay my thanks to Dr. Akhilèsh Shukla who provided me various valuable suggestions and information during my research work.

I am very fortunate as I have some precious friends like Mr. Mahesh Chandra Gíri, President, Tamso Ma Jyotirgamaya Foundation (TMJF), Lucknow, Mr. Bhupendra Pratap Singh, Computer Programmer, Narendra Dev Agricultural University (NDAU), Kumarganj, Faizabad, Mr. Anupam Tripathi, Publishing Officer, Bhartiya Gyanpeeth, New Delhi, Anshuman Singh and Agriculturist, Balrampur. They paid their sustainable encouragement during entire work of research.

I register thankful appreciation for my friends and colleagues at National Botanical Research Institute (NBRI), Lucknow - Dr. Abhilash P.C., Dr. Sarah Jamil, Dr. P. Archana Singh and Ankita Shukla for their valuable support and co-operation.

I thanks to my friends and colleagues of Biotech Park, Lucknow - Dr. Pallavi Somvanshi, Scientist, Mr. Jitendra Verma, Senior Research Fellow (SRF), Suman Singh Senior Research Fellow (SRF), Mr. Sunil Gupta, Network Administrator and Archanaji for their moral support and help.

I pay my special thanks to Mr. M.P.S. Negi, Statistician, Biometry and Statistic Division, Central Drug Research Institute (CDRI), Lucknow for his valuable assistance in statistical analysis

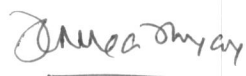

It's my moral duty that I express my heartfelt obligation to Smt. Sheela Tewari, w/o Dr. D.D. Tewari for her continuous encouragement and care during entire course of research.

I always remember my reverend brother Sri Ish Narayan Upadhyay, who gave me affection, courage and everlasting care since I started my education. His blessings always remain whenever, I required.

I thank to all those whose name is not being mention here but they directly or indirectly helped in various ways during entire course of investigation.

Date: 28.05.2010
