ACKNOWLEDGEMENT

First of all I am grateful to Lord Shiva for showering his blessings on me and because of the bounty and benign benediction of Almighty God completion of this work becomes possible.

“Teachers play a prime role in shaping the future of students”. No endeavor of a student can be accomplished without the guidance and encouragement of the teachers and for this a student is always indebted. I have no words to express my profound sense of gratitude to my supervisor Prof. K.P. Pandey Emeritus Professor and advisor of the Institute of Education & Research, Mangalayatan University, Aligarh for his vast experience, deep insight, constantly painstaking efforts, zeal, kind supervision, advice and guidance throughout this work.

I want to express my gratitude especially to my chemistry teacher Dr. R.K. Baslas ji, former Director, Higher Education Commission, U.P., whose inspiration always worked as a motivating factor for me, my physics teachers Shri S.R. Shamsi Sir and Shri Kamal Arya ji, Principal of Sunway Public School and R. P. S, Rampur respectively, my uncle and manager of Sanchetna Vidyalaya, Moradabad, Shri Santram Yadav ji and to all other principals and teachers of the schools in which this study was conducted like Principal of Dayawati Modi Academy, Mrs. Suman Tomar ji, Principal of Modern Pub. S. Shri Deep Joshi ji and Shri C.B. Singh Sehrawat ji for their invaluable help and support.

I owe my sincere thanks to all my family members especially to my father Shri Lal Singh ji, mother Sudha ji, brother Deepak, sister Pravina, children Ishaan & Satwik, husband and friends Ritesh Ji, Dr. S. P. Jain ji and Neeraj Kandpal Ji for their moral support, motivation and encouragement, in completion of my research work.

(Mridula Singh)
