I would like to express my deepest regards to my Ph.D. supervisor Dr. S. Murugavel. I will always be obliged to him for showing faith in my capabilities. Under his guidance I’ve learned a lot. His immense knowledge and passion towards research made it possible in successful completion. Working with him is a privilege for a student who wants to pursue research as a career as his vision and perspectives are encouraging. Although my Ph.D. years were adventurous, but his consistent support, guidance and patience made everything possible.

I take this opportunity to express my deep respect to Prof. Vinay Gupta, who was there with me during my tough time and guided me through right and wrong. Also I’d like to thank and express my deep regards to Prof. Sanjay Jain, Prof. R.P. Tandon, and Prof. D.S. Kulshreshtha, for their valuable guidance and their support when it was needed.

I am specially thankful to lab-mates; Manisha Upadhyaya, Raza Shahid and Gitanjali Arora for their valuable discussion, support and being with me in every possible way whenever needed and my friends; Dr. Deepak Kumar, Dr. Ravikant, Dr. Parikshit, Yogesh Kumar, Manu Jain for being with me at one or another point of time.

Resources and facilities are important to perform any task in the Ph.D. work. Hence, I gratefully acknowledge the financial grant from University Grants Commission (UGC) in the form of Research Fellowship in Science for Meritorious Students (RFSMS). Also, I gratefully acknowledge the research grant from CSIR in the form of Senior Research Fellowship (SRF). I am thankful to Prof. K. Srinivas, Head, University Science Instrumentation Centre (USIC) and Prof. S. Annapoorni, Co-ordinator, M.Tech. Nanoscience and Nanotechnology, for providing research facilities. I would like to acknowledge IOCL R&D Centre, Faridabad for allowing me to use some of their research facilities, when most needed. Also, I would like to thank Mr. Saxena, Head, Workshop, Department of Physics and Astrophysics, University of Delhi.

I would like to thank my parents, who are the greatest source of strength and inspiration and their support and guidance made me what I am today. I want to express my thanks to my siblings for troubling me all the time! And all the other things that I shouldn’t write in such a formal way!

It is of immense pleasure for me to express my feelings for the most important person in my life who always encouraged me since my childhood, My most loveliest and dearest Mamaji, Whom I miss a lot and nobody can ever fill that space. My special thanks to My Husband, Manish for his concern, support, and encouragement and for being with me all the time and my love to my sweet little son, Siddharth.
