ACKNOWLEDGEMENT

I am deeply grateful to Dr. P. Mohamed Shafi, M.Sc. Ph.D., my supervising teacher without whose invaluable guidance and help this research work would not have been completed. He has continued to inspire me ever since I came in contact with him as a research scholar under him. I owe him an enormous personal debt for his intellectual guidance, encouragement and personal attention given to me throughout the course of this work.

My happiness knows no bounds in recording my sincere thanks to Dr. M.P. Kannan, Professor and Head of the Department of Chemistry and Dr. T.D. Radhakrishnan Nair, Professor and former Head of the Department of Chemistry for providing adequate facilities.

I wish to place on record my deep gratitude to Dr. Reiner Waibel, Frederich Alexander University, Germany, Dr. Leopold Jirovetz, Institute of Pharmaceutical Chemistry, University of Vienna, and Dr. Aldol Tawa, Institute sperimental Lodi, Italy for providing spectral data.

I also record my sincere gratitude to the Principal and Management of M.E.S. Ponnani College, Ponnani for having deputed me for Ph.D. course and U.G.C. New Delhi for providing Teacher Fellowship under Faculty Improvement Programme.

I express my deep sense of gratitude to Dr. Mohamed Hatha, Dr. Suresh and K.T.V. Vijayan for their immense help in biological studies.

I would be failing in my duty if I donot acknowledge the help and encouragement provided by Prof. C. Thareekutty, Dr. A. Saidutty, Dr. T.D. Shoba, N.K. Babu Ebrahim, M. Jahfar, E.A. Jose, K. Prathap, A. Basheer and B.C. Lasitha. I am grateful to all of them.

A heartfelt word of thanks to Prof. T.Mohamed, Head of the Department of Chemistry, M.E.S. Ponnani College for his timely help and whole hearted co-operation.

I am really grateful to the affection and co-operation of my mother, wife, children and brothers. Without their help and co-operation I might not have completed this research work.

I thank Microtech Computer Centre, Chenakkal for the neat processing of the manuscript of this thesis.

Above all the blessings bestowed by the Almighty God is gratefully acknowledged and I pray for His mercy further.

P.A. Mohamed Basheer.
