

## ACKNOWLEDGEMENT

*First, I thank Almighty, the gracious and merciful, for providing me with the opportunity to complete this work successfully. However, it is also a fact that this work would have been impossible without the help extended to me by different people at different times, which necessitates their mention here.*

*I express my sincerest gratitude to my supervisor Dr. Waseem Ahmad Siddiqui who gave me invaluable guidance and freedom to plan and execute my experiments. He helped me to widen the horizon of my knowledge and inculcated the spirit of patience and dedication to the purpose. His soft and compassionate attitude has been instrumental in transforming me in to a better human being. I really consider myself fortunate to have such a deeply humane mentor. Thank you so much sir for being so stirring and supportive.*

*I owe my sincere thanks to Prof. Shakir Ali, Head, Department of Biochemistry for providing necessary facilities for completion of thesis.*

*I am extremely thankful to all respectable teachers of the Department of Biochemistry, Dr. Rana Zaidi, Dr. Saleem Javed and Dr. Farah Khan for their moral support, priceless suggestion and inspiration.*

*I express my gratitude to the non teaching staff in our department especially, Mr. Aslam Bhati, Mr. Iqbal and Mrs. Rosamma for their much required timely co-operation. I owe my sincere thanks to Mr. Islamuddin, Mr. Shaukat, Mr. Shujat, and Mr. Alam who have helped me during the study.*

*Services rendered by Mrs. Zia Fatima and Mr. Shameem, the Librarian and Library staff are remembered with gratitude.*

*A word of thanks is due to my lab mates Dr. Adnan Kausar, Ms. Kehkashan Parveen and Mr. Amjid Ahad for their perspective co-operation during the complete course of study. I feel short of words to express my heartfelt gratitude to my labmate and senior, Dr. Mohd. Rashid Khan for being a helping hand during my experimental work and for being a support during the compilation of my thesis. I am also thankful to my fellow researchers Mehboob sir, Rifat mam, Iram mam, Pinki, Indu, Amena, Sameena, Yadhvi, Asif and Sadiq bhai for their good company and timely co-operation.*

*Special thanks is owed to my dear friends and roommates Lubina Khan, Aaisha Khan, Sana Nafees and Areeba Akhter for being a constant support and helping me to deal with the thick and thin of research life. The precious times spent together, throughout the tenure of PhD are truly invaluable and treasure for the lifetime.*

*I am highly indebted to express my gratitude towards my papa, mummy and brother, whose constant and sincere prayers brought fruitful results for me in the best possible way. It is their true love, noble guidance and sincere efforts that shaped my life. My entire family has undoubtedly been truly encouraging and I sincerely thank each one of them for their everlasting support.*

*A special word of regard to my late brother, Shamim Ali Siddiqui. He was an ideal brother and I only wish if he could watch me making his dreams come true.*

*The financial assistance from CSIR in the form of JRF and SRF is gratefully acknowledged.*

*In the end, I would like to thank each and everyone who have rallied around in making this thesis a successful and enjoyable experience for me.*
