List of Tables

Chapter I
(Depicted in the Chapters of the thesis)

Table 1.3.1 List of labour laws applicable to the construction industry in India
Table 1.6.2.1 Production and shortfall in building materials
Table 1.6.2.2 Index number of whole sale prices by groups and sub groups (averages)
Table 1.6.2.3 Annual availability of some agro-industrial wastes
Table 1.6.8.1 Equivalent quality system standards

Chapter III
(Displayed at the end of the thesis)

Table 3.1 'Z' score for financial stability (asset backed)
Table 3.2 Discriminant analysis for 'Z' equity
Table 3.3 Discriminant score table
Table 3.4 Dividend profile

Chapter IV
(Displayed at the end of the thesis)

Table 4.1 Key performance indicator
Table 4.2 Summary details for computation liquidity ratios
Table 4.3 Liquidity ratios
Table 4.4 Compound growth rate of key performance indicators of Simplex Concrete Piles (India) Ltd
Table 4.5 Computation of activity ratios
Table 4.6 Computation of profitability ratios
Table 4.7 Computation of debt ratios
Table 4.8 Growth rate of borrowed funds and capital employed (depicted in the chapter)

Chapter V
(Displayed at the end of the thesis)

Table 5.1 Employment generation based on outlay in investment by Centre, State and Union Territories
Table 5.2 Employment generation based on outlay in investment for social services
Table 5.3 Abstract for construction element and employment generation
Table 5.4 Employment generation based on gross billing works done by Simplex Company
Table 5.5 Value added computation of the Simplex Company
Table 5.6 Computational table for regression analysis of association between GDC and employment generation by construction sector investments
Table 5.7 Computation table for regression analysis to find out degree of association between value added and employment generation
Chapter VI
(Displayed at the end of the thesis)

Table 6.1  Project export
Table 6.2  Average growth percentage of export earnings
Table 6.3  Export earnings to sales percentage
Table 6.4  Average growth percentage in export earnings and percentage of export
            earnings to sales of Simplex Company
Table 6.5  Foreign exchange earned and used
Table 6.6  S & T Expenditure
Table 6.7  R & D Expenditure (comparison with world players)
Table 6.8  R & D of Simplex Company
Table 6.9  Areas, Benefits and future plan of R & D of Simplex Company
Table 6.10 Technology absorption, adaptation and innovation of Simplex company

Chapter VII
(Depicted in the chapters of the thesis)

Table 7.1  Relative weights and ranks of main factors
Table 7.2  Relative weighting for all detailed sub factors
Table 7.3  Performance evaluation indices
Table 7.4  Comparison table
Table 7.5  Wilcoxon matched-pair signed rank test table
Table 7.6  Practical difficulties in project execution percent ratings of opinion
Table 7.7  Determination of Spearman's rank correlation
