ACKNOWLEDGEMENT

This Research work could not be possible without grace of almighty. His mercy and blessing have empowered me throughout my period of research work and whole life.

It gives me enormous pleasure and clemency in acknowledging and expressing the gratefulness to my esteemed Research Supervisor “**Dr. B.K. Sharma**, Rt. Head, Department of Library Science, Dr. B. R. Ambedkar University, Agra”. His Constant and inspiring guidance during my research enabled me to finish my work within stipulated time frame. It is his encouraging untiring and endless effort, which made possible to shape my research work in the present form.

I also extend sincere gratitude from the bottom of my heart to my Co-Supervisor **Prof. Hemant Sharma**, Professor & Head, SOS Library & Information Science Jiwaji University, Gwalior, who provided invaluable and helpful comment, at every stage of this Research, based on his long years of association with Information Science industry.

My thanks are also due, to all faculty members & Non - Teaching Staff of SOS Library & Information Science Jiwaji University, Gwalior specially Prof J.N Gautam and Prof R.G. Garg for their support and encouragement from the beginning of this study till the end.

I take this opportunity to acknowledge the services and Guidance of Prof V.P. Khare, Professor & Head, S. R. Ranganathan Institute of Library & Information Science, Bundelkhand University, Jhansi

My special thanks to my friends **Dr. Vinay Narula**, whose not only gave his time but also, shared their thoughts with me.

Last, but not the least, I owe a lot to my Father Late Sri Rajeev Kumar Upadhyay who showers their blessings from stars, my Mother Mrs. Uttam Devi, My Brother Hirdesh and lovely Sister Ruchi who gave me strength and moral support during entire period of my research work. At the

end I would like express appreciation to my beloved wife Smt. Preeti Upadhyay who spent sleepless nights with and was always my support in the moments when there was no one to answer my queries. In the present thesis I try to study that needs and role of information technology for information seeking among library science users with special reference to IIM libraries. Information technology touches every walk our life i.e. general, academic, and professional even at bad times also.
