ACKNOWLEDGEMENTS

I take the occasion to place on record my deep sense of gratitude to Dr. V.C. Misra, Prof. & Head of the Department and Dean, Faculty of Science for generously providing all facilities and otherwise helping and encouraging the preparation of the present work.

I am immensely thankful to Dr. S.K. Sharma, Asstt. Prof. in the Department, who despite all odds of circumstances supervised the work with utmost care, keen interest and critical judgement.

To Dr. N.P. Ayyar, now Prof. & Head, Department of Geography, Shivaji University, Kolhapur, I owe grateful thanks for many ideas derived from him through my long association with him as his student and as research scholar.

To Dr. (Mrs.) Pramila Kumar, Reader, I owe profound thanks for the valuable suggestions and other help that was always ready to make available. To others on the staff of the department, namely Shri D.S. Shrivastava, Dr. R.S. Dube, Dr. R.K. Rai (now Reader in Geography, N.E.H.U. Shillong), and Dr. S.K. Shukla, Assistant Professors for many suggestions and sincere cooperation at every step. In the office of the Department Shri R.R. Vishwakarma and Shri A.R. Khan, were always prompt to give all cooperation. To them I extend my sincere thanks. All the research scholars in the department were also always ready to help and cooperate. To them all, particularly to Shri Peter Charan, I am very thankful.

Thanks are due to the U.C.C. for the grant-in-aid sanctioned to support this work.

I am deeply grateful to many offices and institutions for providing valuable informations for the preparation of this work. In particular I am deeply thankful to Shri R.S. Khanna, I.A.S., General Manager, and Shri B.M. Kale, Accounts
Supdt., M.P.S.R.T.C., Bhopal; to R.T.O.'s of Indore, Bhopal, Sagar and Gwalior divisions; Director, Census of India, M.P. Bhopal; Director of Town & Country Planning, M.P. Bhopal, and to Dy. Directors of its divisional offices of concerned divisions, for providing data, maps and other informations.

I am highly obliged to Dr. Pratap Chandra, Reader, Department of Philosophy for his valuable suggestions particularly regarding early history of the region, and to Dr. R.L. Gupta (Retd. Prof. & Head, Department of History) for his valuable suggestions, comments on the modern history of Malwa. To Dr. M.B.K. Reddy, Prof. & Head of the Department of Geography, Tirupati University, Tamilnadu for many valuable comments and suggestions.

Last, though not the least, I am profoundly grateful to my parents and other kith and kin without whose kind support and cooperation over these long years it would have been formidably difficult to accomplish this work.
