ACKNOWLEDGEMENT

“God is Great” He is a Great Magician in entire World. Glory be to Him! So grand in His magnificence, so strong in His authority, so perfect in His graciousness, so all embracing in His goodness.

I deem it a rare privilege and source of pleasure in expressing my profound and cordial gratitude to my respected, learned and revered Research Supervisor Prof. Dr. Arunkumar H. Dholakia, for his scholarly guidance, illustrations, advice, keen interest, and encouraging attitude despite his multifarious preoccupations. His cooperation and constructive criticism were the real sources of inspiration for me during course work and research.

I would like to express my Special thanks to Dr. P.R. Desai, Principal, and Staff members of Zoology Department, Sir P. T. Sarvajanik College of Science, Surat for their moral support and cooperation during the period of my academic studies at such a prestigious institution.

I would like to express my heartiest thank you to my colleague Dr. Nehal Shah and Mr. Pratik A. Patel for their constant support for thesis proof reading and formatting up to the end of submission.

I am also grateful to Dr A. M. Patel, Principal and Head, J. & J. College of Science, Nadiad to encourage and help me in identifying flora. It’s worth mentioning the name of Mr. Harish Parekh with their Office Staff, J.& J. College of Science, Nadiad also, for their kindly support and cooperation during my doctoral tenure.

Throughout my work, my friends and seniors have encouraged and enriched my efforts through their unending moral support and guidance. Amongst these, several are worthy of special mention: Prof. F. J. Thakor and entire team of Biology department, and whole staff of J. & J, College of Science, Nadiad, Dr D. K. Bhoi, Mr M. B. Chauhan, Mr O. G. Momin and Mr N. R. Dabhi (Librarian), and Prof. and Head Archana Pandey, Dr. Geeta Padte, Dr. P. C. Mankodi from M. S. University, Baroda. The support of these superiors and colleagues is gratefully acknowledged. I am especially indebted, for their consistent cooperation, enthusiasm and help during my research work.
UGC-University Grant Commission, New Delhi, granted me two Research Projects for Biodiversity Conversation which was extremely useful in supporting me for to study of Waterbirds and Wetlands of Kheda district and helped me lot in all my financial matters of research. I am highly indebted to UGC Research Project Committee, Western Regional Office, Pune.

I heartily acknowledge Mr Y. D. Parmar, RFO, Matar range for their assistance, providing Boating facilities, encouragement and for supporting my “adventures” in the study of wetlands.

I am really glad to acknowledge my heartiest gratitude and respect to Dr. Ted Floyd, Director of Publishing Department, American Bird Watcher Association, USA for guiding me on Bird watching concept during Global Birdwatcher Conference held in Ahmadabad during 19-22 January, 2012. Also, Dr. Bharat Jethwa (Wetlands International) who invited me to participate in GBWC, 2012 held in Ahmedabad.

I would like to specially thank GBWC Royal Orchid Group to support for Bird watching and Identification and at the same time DNA Newspaper, Journalist (Miss Smitha) for printing my Special Interview on Wetlands in DNA Newspaper.

Prof. and Head, Dr. R. V. Parmar, P. S. Science College, Kadi, deserve appreciation for sharing my efforts and extending their services for statistical analysis of the data and strong support for completion of thesis.

I heartily acknowledge Mr Vishal Upadyay for their assistance, providing fulltime encouragement to my “adventures” in the study of wetlands and waterbirds.

At last I would like to thank my loving wife (Anjana) whose prayers, affection and extreme diligence strengthened me to go forward and my loving sons especially, Aniket and Anirudh, who helped me in my hour of need and inspired me to progress in life.

Amrutlal B. Parmar
(Associate Professor)
J & j College of Science, Nadiad.
