Acknowledgement

There are a large number of people to whom the present researcher is heavily indebted in various ways. A research is an uphill task which can be completed with the help of noble guidance. First I wish to acknowledge my sincere gratitude to my respected supervisor and guide, Associate Professor, Dr. Tridib Tripathi, Department of Library and Information Science, the University of Burdwan, who not only guided the work but also provided motivation for completion of the work. The credit for successful completion of thesis goes to my guide for his authoritative attitude as well as being a friend and philosopher, who always kept me on the right track, gave encouragement, constructive criticism, made stimulating discussion and took keen interest in course of the research.

I also take the opportunity to tender my respect and thanks to the authorities of the University of Burdwan for providing me the opportunity as Part Time Scholar and to carry out this research work and extending full cooperation and all-out support.

My deep gratitude and respect are also to the faculty member, Dr. Amit Kumar Banerjee, Professor and Head of the Department, Department of Library and Information Science, the University of Burdwan, Burdwan for experienced opinion and suggestion on library activities.

I express my sincere respect to Dr. S. C. Biswas, Professor, Department of Library and Information Science, the University of Burdwan, Burdwan, for his constructive suggestion in this field.

I tender my respect to Dr. P. S. Mukhopadhyay, Assistant Professor, Department of Library and Information Science, the University of Burdwan, Burdwan, for his cooperation and suggestion in the fields of library automation, particularly in integrated library management software.

I express my thanks to Dr. Bidhan Chandra Biswas, Associated Professor, Department of Library and Information Science, the University of Kalyani, Nadia for his valuable suggestions and inspiration throughout the study.

I express my deep gratitude and thanks to Prof. Amalangsu Sengupta, (Ex-Prof. of B. U. and V. U.) who has been a source of inspiration throughout my research work.

I express my sincere respect to the staff of the Central Library and Library and Information Science Department, University of Burdwan, Burdwan for their cooperation, support and constant help in collecting information relevant to my present study.
Most thankfully, I acknowledge the help and support extended to me by the Principals, Librarians, Teachers, Non-Teaching Staff and Students of all the Under Graduate Colleges, Professional Colleges (both Govt. and Sponsored) in North 24 Parganas, West Bengal and the Librarian (Dy. Libn.) and Asst. Librarians, Central Library and the Staff of Central Library for their active help and cooperation in my Research work.

I like to express my whole hearted thanks to Asst. Librarian (Book and Journal Sections) and the Staff of the National Library, Kolkata for their kind cooperation.

I like to express my whole hearted thanks to Smt. Chhanda Saha, Asst. Librarian; Sri Asok Shil, Librarian and Sri Tapan Basu Thakur, the Staff of the Habra Municipal Town Library, Habra for their kind cooperation.

Most thankfully, I express my gratitude to the Librarian, Calcutta University; Jadavpur University and Ex-Head and Dr. K. P. Majumder, Department of L. I. S., Jadavpur University for help and suggestions in doing my research work fruitful.

I express my heartiest thanks to my colleagues, Smt. Mousumi Satpathi, Librarian, Selection Grade and Smt. Doli Das, Librarian, Selection Grade of Sree Chaitanya College, Habra, and other Staff of S. C. College Central Library for their cooperation and spare me from my duties and always extend their suggestions in my research work.

Dr. Tapan Kumar Chakraborty, Associate Professor, Department of English S. C. College, Habra; Dr. Aloke Kumar Chakraborty, Associate Professor, Depart of History, S. C. College, Habra and Smt. Debosmita Bhattacherjee, Associate Professor, Department of English S. C. College, Habra, have gone through the text at various stages and gave their valuable opinion in refashioning some of the sentences for which I must be thankful to them.

I must be feeling in my duties if I do not mention my colleagues and especially our Principal who have provided with valuable advices at various stages and encourage me in carrying out the research project.

I like to express my whole hearted thanks to Dr S. C. Chatterjee, Associate Professor, Department of Physics, S. C. College, Habra; Dr Debasish Bandhyapadhyay, Associate Professor, Department of Chemistry, S. C. College, Habra; Dr Manik Bhakta, Associate Professor, Department of Zoology, S. C. College, Habra; Dr S. P. Basu, Associate Professor, Department of Political Science, S. C. College, Habra; A. Guchhayat, Sr. Professor, Department of Political Science, S. C. College, Habra; for their kind cooperation and gave their
valuable suggestions in refashioning some of the sentences for which I must be thankful to them.

I like to express my whole hearted thanks to Dr. H. P. Sharma, Dy. Librarian, Bengal Engineering and Science University, Shibpur for their kind cooperation and gave their valuable opinion in refashioning some of the sentences for which I must be thankful to them.

In this connection, I need to emphasize the valuable help rendered by to Prof. Pranab Kumar Bhattacharyya (Retd.), Department of Physics, S. C. College, Habra, to explain to me some of the matters related to Physics and Computer Science.

I am indebted to and express my thanks to Prof. Dr. Amarendra Nath Chatterjee, Associate Professor, Department of Physics, Barrackpore Rastra Guru Surendranath Nath College, Barrackpore, for his valuable suggestions on the field of automation and application of computer in libraries.

I express my heartfelt thanks to the Office Bearer of Bengal Library Association, Kolkata and Indian Association of Special Libraries and Information Centres for their suggestions in my research study.

It would have been impossible for me to carry out this research work unless my beloved wife, Smt. Mridula Lahiri who spared me from all sort of household work during the study and unless she went through and edited the present work. No words would be adequate to express my indebtedness to her.

I am grateful to my beloved son Sreeman Sayan Lahiri, who is the student of Physics Honours, Barasat Government College for helping me a lot in my research work.

I am highly indebted to my affectionate brother, Sree Sourav Chattopadhyay, who has typed the manuscript within a short period on the computer neatly and elegantly.

Various people from various walks of life have provided valuable helps and suggestions. Space for forbids me to mention all the names.
