ACKNOWLEDGEMENT

I am heartily thankful to my guide and mentor, Prof. H.C. Vajrappa, Department of Geology, Bangalore University, Bangalore, whose encouragement, guidance and support from the initial to the final level enabled me to develop an understanding of the subject. His profundity of knowledge, practical suggestions and constructive arguments has always drawn me closer to the subject.

I am highly indebted to Prof. Shadakshara Swamy N., Chairman, Department of Geology, Bangalore University, Bangalore, for providing me the necessary facilities to carry out the study. I also express my sincere gratitude to Prof. Renuka Prasad T.J., Department of Geology, Bangalore University, who devoted his time in carrying out the factor analysis and boosted my self-esteem and taught many aspects of life. I extend my sincere thanks to Prof. Suresh T.S., Department of Geology, Bangalore University, for discussions and offering suitable suggestions during the course work.

I express my profound gratitude to Prof. Prabhakar B.C., Department of Geology, Bangalore University, who encourage me to carry out the water sample analysis in the department laboratory. I also extend my hearty thanks to Prof. Naraharirao K.L., Department of Geology, Bangalore University, for providing an opportunity to attend the short-term training programme on Groundwater Modelling at Annamalai University, Annamalai, Annamalai Nagar, Tamilnadu.

I wish to extend my hearty thanks to Assoc. Prof. Channabasappa S., Department of Geology, Bangalore University, for his kind support and suggestions during the course work. My grateful thanks to Assoc. Prof. Nagesh P.C., for his kind cooperation and necessary help during the course work. I also highly thankful to Assoc. Prof. Malarkodi N., Department of Geology, Bangalore University, for her kind support and suggestions.
