ACKNOWLEDGEMENT

I wish to express my deep gratitude and indebtedness to my guide Dr Rathna. H, Associate Professor, Department of Extension Education & Communication, Smt. V. H. D. Central Institute of Home Science, Bangalore for her Valuable guidance, constant encouragement, effort and her painstaking corrections during the time of the study and her moral support and utmost involvement in carrying out this study successfully.

I am overwhelmingly grateful to my parents who stood by me with necessary support and inspiration throughout the period of my research work and without their help I would not have completed this work in time.

I express my profound gratitude to God Almighty for showering me with his grace, knowledge, protection, provision, wisdom and understanding throughout my research work.

I am extremely thankful to Prof O. Obaiah, Principal, Smt. V. H.D. Central Institute of Home Science, Bangalore for his encouragement and support.

I am also thankful to former chairperson, board of studies in Home Science, Dr. R. Renuka Devi and present chairperson, Dr. Malini Jayasurya.

I wish to express my appreciation and gratitude to Dr. S.K. Tripathi, Deputy Director, National Institute for Public Cooperation and Child Development, Yelanka, Bangalore, for his inspiring and valuable suggestions.
I deeply acknowledge the inspiration by Dr. Hamsa.N, Executive Director, WPC, New Delhi.

I would also like to thank Dr K. P. Suresh, scientist (SS) Biostatistics, Department of Biostatistics, National Institute of Animal Nutrition and Physiology, Bangalore, for his help and assistance.

My thanks are due to Dr Rajalakshmi M.S, Associate Professor, Dept of Human Development, Smt. V. H. D. Central Institute of Home Science, Bangalore for her suggestions.

I am also thankful to the library authorities of Smt. VHD Central Institute of Home Science, Bangalore, JNU library, FMS library, MIM library, TAPMI library, for permitting me to use of their library facilities.

My unreserved appreciation goes to my siblings for giving me necessary support and encouragement for the completion of my research work.

I extend my heartiest thanks to all the college principals who gave me permission for collecting data from their students.

I would like to express my word of gratitude to all the respondents who have spared their time to answer my survey Questionnaire.

My heartfelt thanks to my friends, and all those who have directly or indirectly helped me in carrying out this study.
