

LIST OF PUBLICATIONS

1. **Anuradha, V.** and Nandini, A. Technical Poster Presentation on 'Novel medium for the enhanced production of medicinally important prodigiosin from *Serratia* sp' in "Recent Trends in Pharmaceutical Sciences- 2002" at Zydus Research Centre, Ahmedabad, India X.
2. Renganathan, S., Lima, R.M., Velan, M., **Anuradha, V.** and Richard, W.T. Paper presentation in "Microbial Decolorization of Azo Dye Using *Schizophyllum commune* " at " Indian Chemical Engineering Congress-2002" at Indian Institute of Chemical Engineers, Regional Centre, Hyderabad, India.
3. **Anuradha, V.**, Sharmila, A. and Gautam P. 'Functionally specified protein patterns for individual blue copper proteins and for a combination of blue and green and blue and purple copper proteins' (Communicated to Journal of Computational Biology and Bioinformatics).
4. **Anuradha, V.**, Nandini, A and Gautam, P. 'A Novel Medium For The Enhanced Cell Growth and Production Of Prodigiosin From *Serratia marsescens* Isolated From Soil' (In press BMC Microbiology).
5. **Anuradha, V.**, Lenin, C., Prashant, A.S. and Gautam, P. 'Effect of metal on prodigiosin production and identification of metal resistance genes in *Serratia marsescens* isolated from soil' (Communicated to Research in Microbiology).
