

LIST OF TABLES

Table No.	Title	Page
2.1	Typology of Existing Towns and Distance from Proposed Site of Panchkula Town	43
3.1	Periphery Zone: Sub-zonewise Villages and Share in Rural Population, 2001	53
3.2	Periphery Zone: Percentage Share in Rural Population of Sub-zones, 1971-2001	54
3.3	Periphery Zone: Distribution of Inhabited Villages by Size Category, 1971 and 2001	56
3.4	Periphery Zone: Decadal Compound Annual Growth Rate of Rural Population by Size Category of Villages, 1971-2001	57
3.5	Periphery Zone: Compound Annual Growth Rate of Rural Population by Population Size Category of Villages, 1971-2001	59
3.6	Periphery Zone: Area and Population Parameters of Villages in Different Annules, 1971 and 2001	61
3.7	Periphery Zone: Per Cent Share of Rural Population by Sub-zones, 1971 and 2001	62
3.8	Percentage Share of Area and Population according to Distance from Chandigarh	63
3.9	Periphery Zone: Compound Annual Growth Rate of Villages by Distance from Chandigarh, 1971-2001	64
3.10	Periphery Zone: Villages by Compound Annual Growth Rate of Rural Population by Sub-zones, 1971-2001	67
3.11	Periphery Zone: Projected Rural Population and its Share in Total Population, 2001-2020	72
4.1	Size of Urban Population of Chandigarh and Periphery Zone, 1961-2001	77
4.2	Growth of Urban Population in Chandigarh and Periphery Zone, 1951-2001	77
4.3	Number of Towns and Share of Population in Each Size Class in Periphery Zone: 1951-2001	79
4.4	Periphery Zone: Compound Annual Growth Rate of Towns (in per cent) : 1951-2001	81
4.5	Periphery Zone: Increase in Urban Area, 1951-2001	83
4.6	Periphery Zone : Change in Area of the Individual Towns, 1951-2001	85
4.7	Periphery Zone: Projected Urban Population and its Share in Total Population, 2001-2020	86
5.1	Land Use Classification of Punjab, Haryana and Chandigarh, 1971 and 2001 (Per cent to total area)	92
5.2	Land Use Pattern of Rural Component of the Periphery Zone, 2001 (Per cent to total area)	93

Table No.	Title	Page
5.3	Percentage Share of Forest Area in Total Area in 14 Villages of the Periphery Zone, 2001	94
5.4	Periphery Zone: Distribution of Villages by Percentage Share of Net Area Sown in Total Area, 2001	96
5.5	Periphery Zone: Distribution of Villages by Percentage Share of Cultivable Wasteland in Total Area, 2001	97
5.6	Periphery Zone: Percentage Share of Area Not Available for Cultivation in Total Area, 2001	99
5.7	Land Use Change in Chandigarh Periphery Zone during 1971-2001 (Per cent in total area)	100
5.8	Distribution of Villages with Some Forest Area in 1971 and 2001	102
5.9	Change in the Land Use Pattern of 50 Villages Having Some Forest Area in 1971 (Per cent in total area)	103
5.10	Distribution of Villages by Percentage Share of Net Area Sown in Total Area, 1971 and 2001	105
5.11	Change in Land Use Pattern of Villages (N=103) where Net Area Sown Decreased by at Least 10 Per Cent Points during 1971-2001	106
5.12	Periphery Zone: Distribution of Villages by Percentage Share of Cultivable Wasteland to Total Area, 1971 and 2001	108
5.13	Change in Land Use Pattern of Villages (N=44) where Cultivable Wasteland Decreased by at Least 10 Per Cent Points during 1971-2001	109
5.14	Periphery Zone : Distribution of Villages by Percentage Share of Area Not Available for Cultivation to Total Area, 1971 and 2001	111
5.15	Periphery Zone : Change in Land Use Pattern of Villages (N=109) where Area Not Available for Cultivation Increased by at Least 10 Per cent Points during 1971-2001	113
5.16	Periphery Zone: Change in Area of the Individual Towns, 1971-2001	115
5.17	Haryana Sub-zone: Permission Cases of Conversion of Agricultural Land, 1972-2006	117
5.18	Punjab Sub-zone : Authorized and Unauthorized Residential Colonies 2006	118
5.19	Punjab Sub-zone: Free Enterprise Zone (FEZ) Villages	119
6.1	A Comparative View of Some Population Projections for India's Population in 2001 vis-à-vis the Actual Count	124
6.2	Projected and Actual Population of India, 1971-2001 (in 000)	125
6.3	Percentage Share of Periphery Zone's Population in Combined Populations of Punjab and Haryana: 1971-2001	128
6.4	Projected Population of Periphery Zone by Ratio Technique: 2001-2020	131

Table No.	Title	Page
6.5	Projected Population of Periphery Zone by Urban-Rural Growth Differential Technique: 2001 to 2020	134
6.6	Projected Population of Periphery Zone by Compound Annual Growth Rate Technique: 2001 to 2020	138
6.7	Projected Population of Periphery Zone by Extrapolation Technique : 2001 to 2020	139
6.8	Punjab and Haryana Smoothened Population Classified by Age and Sex, 2001	143
6.9	Estimated Population of Periphery Zone by Age and Sex, 2001	145
6.10	Periphery Zone: Population-Weighted Total Fertility Rates Generated for 2001	146
6.11	Periphery Zone: Population-Weighted Total Fertility Rates Generated up to 2020	147
6.12	Population-Weighted Total Fertility Rates Generated for the Periphery Zone, 2001-2020	148
6.13	Female Population-Weighted Age Specific Fertility Rates for Punjab, Haryana and Periphery Zone, 2001	149
6.14	Age-Specific Fertility Rates Generated for Periphery Zone, 2001	150
6.15	Sex ratio at Birth for Punjab, Haryana and Periphery Zone, 2001	151
6.16	Sex Ratio at Birth in Periphery Zone, 2001-2020	151
6.17	Projected Life Expectancy and Male Population for Punjab and Haryana, 2001-2021	152
6.18	Population-Weighted Life Expectancy of Males in the Periphery Zone, 2001-2020	153
6.19	Projected Life Expectancy and Female Population for Punjab and Haryana, 2001-2021	154
6.20	Population-Weighted Life Expectancy of Females in the Periphery Zone, 2001-2020	155
6.21	Estimated Life Expectancy at Birth for Males and Female in Periphery Zone, 2001-2020	156
6.22	Population Classified by Sex in Periphery Zone and Birth and Death Rates in Punjab and Haryana during 1981-2001	157
6.23	Number of Net-Migrants Classified by Sex for the Periphery Zone, 1981	159
6.24	Male and Female Net-Migrants in Periphery Zone, 2001-2020	160
6.25	Migrants Classified by Age and Sex for Punjab and Haryana, 2001	161
6.26	Migrants Classified by Age (at 5 year interval) for Punjab and Haryana, 2001	162
6.27	Derivation of Percentage of Male Migrants in 0-4, 5-9 and 10-14 Age Groups for Punjab and Haryana	162

Table No.	Title	Page
6.28	Migrants Classified by Age and Sex in Punjab and Haryana in 1991 and 2001	163
6.29	Year-wise Percentage Distribution of Male Migrants by Age, 2001-2020	164
6.30	Year-wise Percentage Distribution of Female Migrants by Age, 2001-2020	165
6.31	Projected Population of the Periphery Zone by Cohort Component Technique: 2001-2020	166
6.32	Projected Population of Periphery Zone by Different Techniques: Ratio, Growth Differential, Extrapolation and Cohort Component Methods, 2001-2020 (in Million)	167
6.33	Population of the Periphery Zone by Age Groups on Yearly Basis, 2001-2020	170
6.34	Periphery Zone: Per Cent Share of Urban Population in Total Population: 1971-2001	172
6.35	Periphery Zone: Projected Total, Urban and Rural Population, 2001-2020	173
