

## *Acknowledgement*

*It is my profound privilege to enunciate in words the deep sense of gratitude which I have for my esteemed supervisor Dr. Sanjay Chhibber, Professor, Department of Microbiology, Panjab University, Chandigarh, for his inspiring guidance, keen supervision and support that helped me in executing this arduous task from its conception to completion. The experience and knowledge that I gained from working under him will go a long way in satiating my quest for success in my field.*

*I express my sincere gratitude and indebtedness to my revered supervisor Dr. Saroj Sharma, Professor, Department of Microbiology, Panjab University, Chandigarh, for her expert guidance, succour support, zealous interest and encouragement throughout the execution of the study. From the first step of my project till the completion of my thesis my naiveness was always complemented by her sheer dedication, revered knowledge and help. Professional and personal guidance that I received from her will be cherished life long.*

*My fervent thanks to my guide Dr. Kusum Harjai, Senior Lecturer, Department of Microbiology, Panjab University, Chandigarh, for her esteemed guidance and keen interest. The constant encouragement especially in the final stages of my work is acknowledged with high regards.*

*I extend my sincere thanks to the Chairmans Dr. R. P. Tiwari and Dr. G. S. Hoondal, Department of Microbiology, Panjab University, Chandigarh, for providing me the requisite research facilities.*

*I express my heartfelt thanks to Dr. Harsh Mohan, Professor and Head, Department of Pathology, Government Medical College and Hospital, Sector 32, Chandigarh, for his painstaking effort and cooperation for the histopathological work included in the thesis.*

*I am grateful to Dr. H. G. Bramhne, Joint Director, Central Research Institute, Kasauli, for the help provided in carrying out cytokine bioassay studies.*

*My labmates and friends especially Vandana, Rahul, Nancy and Anuradha deserve a special thanks for their cheerful cooperation.*

*I acknowledge the help rendered to me by Dr. Vinod Sharma, Ramesh Yadav, Narinder and Chirag. I am also thankful to the technical staff for their cooperation.*

*I now take this opportunity to express my regards and gratitude to my loving parents, my massi and my sister, whose love, blessings and encouragement proved an inexhaustible source of strength to me. A warm note of thanks to Abhinav whose constant support and cheerful attitude always propped me and buoyed me up with confidence.*

*Last but not the least, I would like to thank PCS Zone, Sector 15-D, Chandigarh, for their pain staking efforts in typesetting this thesis work to my entire satisfaction.*
