Acknowledgements

It would not have been possible to complete my doctoral research and thesis without the support of number of people. I would like to put on record, my appreciation and gratitude to all who have rendered their support an input. Without them, it would not have been possible for me to shape this study in the form it is today. This thesis has been kept on track and been seen through to completion with the support and encouragement of numerous.

First of all, I would like to thank the Almighty for providing me this opportunity and granting me the capability to proceed successfully. You have given me the power to believe in myself and pursue my dreams. I could never have done this without the faith I have in you, the Almighty.

The most important acknowledgement of gratitude I wish to express to my supervising guide and mentor Prof. Pradeep Bhatnagar, Dean (Sciences), The IIS University, Jaipur for support, advices, scientific approach, guidance, valuable comments, suggestions and provisions which benefited in completion of this research. He inspired and encouraged me with his massive words and blessings. I am very much thankful to him for picking me up as a student at the critical stage of my Ph.D.

It is an immense pleasure to express my sincere and deep sense of thanks to my Co-Supervisor Prof. M. Krishna Mohan (BITS Ranchi) Birla Institute of Scientific Research (BISR), Jaipur who has put his valuable experience and wisdom in this research. He provided critical advice in my calculations and suggested many important additions and improvements. It has been a greatly enriching experience for me to work under his authoritative guidance.

I gratefully acknowledge Dr. Pallavi Kaushik, Assistant Professor, Department of Zoology, University of Rajasthan, Jaipur for her prompt inspirations, timely suggestions with kindness, enthusiasm and dynamism which enabled me to complete my thesis. It is my privilege to have her constant encouragement throughout my research period.

I am also extremely indebted to Dr. Ashok Gupta, Vice Chancellor, The IIS University and Dr. Rakhi Gupta, Rector and Registrar, The IIS University, for providing necessary infrastructure and resources to accomplish my research work.
I am also grateful to Prof. Purnendu Ghosh, Executive Director of Birla Institute of Scientific Research, Jaipur for making facilities available for this research at the institute. Also I would like to thank Dr. Alok Kumar Varshney for sharing his knowledge and he also helped in understanding Design Expert, the statistical software used in this research.

My sincere thanks also goes to Faculty and staff of Departments of Zoology, Biotechnology, Chemistry and Botany departments, The IIS University, Jaipur who gave access to the laboratory and research facilities. Without the precious support it would not be possible to conduct this research. Also I would like to thank Bunty Sir, Jitender Sir, Jagdish Sir, Kirti Mam, Hanuman Sir for help and co-operation throughout my work in Lab.

I am indebted to my many student colleagues for providing a stimulating and fun filled environment. My thanks go in particular to Neha Rawat, Megha Mathur, Sonal Jain, Ruchi Middha, Tanushree Saxena, with whom I started this work and many rounds of discussions on my project with them helped me a lot.

A special thanks to my family as I would not have made it this far without them. It is their unconditional trust, timely encouragement; blessings and endless patience which helped me bring things in positive way. Thanks for willingly supporting any decision I make and for being proud at my every achievement. They have been selfless in giving me the best of everything and I express my deep gratitude for their love.

My Joy Knows no bound in expressing my cordial gratitude to Ashish Jangid as his keen interest, encouragement, great support, motivation during bad times which helped me to strive towards my goal. I truly thank him for sticking by my side, even when I was irritable and depressed. Your prayer and well wishes for me was what sustained me this far.

There are so many others whom I may have inadvertently left out and I sincerely thank all of them for their help. I humbly extend my thanks to all concerned persons who co-operated me in this regard.
