

ACKNOWLEDGEMENTS

Words fail to express my deep and sincere gratitude to my supervisor **Late. Prof. Manjeet Singh**, whose name is respectful in field of research. His love, affection, wide knowledge, logical way of thinking and personal guidance is a key strength to accomplish this research work. After the sad demise of Prof. Manjeet Singh, the almighty GOD showered his blessings on me and then I got the opportunity to share and learn the lot of things under the adorable guidance, constant support, and generous ideas of **Prof. P.L. Sharma**, who had constructed my moral structure and provided strength to complete the remaining research work. His inspiring and priceless guidance is a key of success for me. I am also grateful to Mrs. Manjeet Singh for their continuous motherly love and support

I express my word of thanks to chairman, I.S.F College of Pharmacy, Moga, Punjab, India, Shri Parveen Garg, for providing the research facilities and exposure to scientific world.
