

ACKNOWLEDGEMENTS

I wish to express my sincere gratitude to my distinguished guides Prof. T. N. Kapoor, Dean, Faculty of Business Management and Commerce, Panjab University, Chandigarh and Dr. Satish Kapoor, Reader, Department of Commerce and Business Management, Panjab University, Chandigarh for their expert guidance and deep interest in enabling me to plan, execute and accomplish this study. I am indebted to them for their continued support, encouragement and patience throughout the period of this study.

I am thankful to Dr. B. B. Tandon & Dr. J. L. Rastogi, Chairmen, Department of Commerce & Business Management, Panjab University, Chandigarh for providing me the necessary facilities.

I wish to acknowledge with thanks the cooperation extended by Dr. S. L. Sarnot, Additional Director, Mr. S. P. Chittora, Joint Director, and Mr. N. R. Tripathi, Senior Systems Analyst of Department of Electronics, Govt. of India for providing both published and unpublished information about Electronics Industry.

I am also grateful to Mr. A. Bhatt, Resident Manager, Uptron India Ltd., and Mr. V. K. Sethi, General Manager,

Video Electronics Ltd. who coordinated to obtain all the information regarding the two units selected for study.

My thanks are also due to Miss Tanuja Bansal for accurate and neat typing of my thesis.
