ACKNOWLEDGEMENTS

I would like to take this opportunity in expressing my esteemed sense of gratitude to:

Dr. G.P. Dutta, D.Sc., for his valuable guidance, supervision, encouragement and inspiration during the accomplishment of present investigation;

Dr. Nitya Nand, F.N.A., Director, Central Drug Research Institute, Lucknow for his keen interest in the present study and for providing necessary laboratory facilities;

Dr. V.C. Pandey for his fruitful suggestions and constant encouragement and Dr. G.C. Misra for his assistance during the course of present study;

all my friends and colleagues for their unflinching cooperation and companionship; and

Council of Scientific and Industrial Research, New Delhi, for financial assistance.

Dated: May 3, 1979

HARJEET SINGH BANYAL
Division of Microbiology,
Central Drug Research Institute, Lucknow.
