CONTENTS

Preface ................................. 1

Chapter - 1 : Introductory.
1. Introduction .......................... 1
2. Review of Literature .......................... 4
3. Theoretical Underpinning of the study .......................... 16
3.1. Statement of the problem .......................... 16
3.2. Background of the study area .......................... 19
4. Objective of the study .......................... 23
5. Hypothesis of the study .......................... 24
6. Methodology .......................... 24
   (a) Research Population .......................... 24
   (b) Data collection .......................... 24
   (c) Variable selected .......................... 25
   (d) Research tools & technique .......................... 26
   (e) Periodicity of the study .......................... 26
7. Layout of the study .......................... 27

Chapter - 2 : Financial Sector Reform : Need and Implications .......................... 29
1. Introduction .......................... 29
2. The Need of Financial Sector Reform .......................... 29
3. Indian Banking system .......................... 38
4. Pre-Reform Banking Scenario ; A Performance Appraisal .......................... 39
5. The Major constraints of banks .......................... 43
6. The committee on Financial system .......................... 45
6.1. Terms of References .......................... 45
6.2. Major Recommendations of Narasimham Committee 1991 .......................... 45
7. Level of Implementation of Narasimham Committee Recommendations .......................... 46
8. Response of First or Phase of Banking Reforms .......................... 51
9. Recommendations of Narasimham Committee (1998) and level of implementation by RBI .......................... 54
10. Impact of second phase of reform .......................... 57

Chapter - 3 : Public Sector Banks : Growth and Development .......................... 59
1. Introduction .......................... 60
2. Banking Scenario during Post Nationalisation Era .......................... 61
2.1. Branch expansion .......................... 61
2.2. Growth of Bank employee .......................... 64
2.3. Growth of Deposit mobilisation .......................... 65
2.4. Population group wise bank deposit .......................... 68
2.5. Account wise distribution bank deposit .......................... 69
2.6. Region wise Distribution of deposits .......................... 70
3. Factors influencing the deposit mobilisation of PSBs : .......................... 71
4. Growth of advances .......................... 73
5. Sector wise Deployment of Bank credit .......................... 76
6. Priority Sector Advances of PSBs .......................... 78
7. Credit Deposit Ratio .......................... 80
Chapter - 4 : Evaluation of Performance of Public Sector Banks : Deposit, Advances and C D Ratio

1. Growth of bank branches
2. Deposit mobilization.
3. Channelisation of credit
4. District wise classification of deposit
5. Determinants of deposit mobilization of PSBs in the districts
6. District wise classification of bank credit
7. Credit Deposit Ratio
8. Priority Sector lending of PSBs
9. Sector wise credit Deployment of bank
10. Growth of PSBs in the districts at a glance

Chapter - 5 : Profitability in Public Sector Banks : An Appraisal.

1. Profit and Profitability , The conceptual framework
2. Profitability in Banks
2.1 Profitability of PSBs ; The component wise Analysis
2.2 Performance of PSBs ; A comparison with Pvt. and Foreign banks
2.3 Profitability of PSBs , The Ratio analysis
3. Factors Influencing the Profitability of PSBs
4. Profitability of PSBs ; The Empirical analysis
4.1 Bank wise growth in Income
4.2 Bank wise growth in Expenditure
4.3 Bank wise growth in Profit
4.4 Profitability Performance , The growth rate analysis
4.5 Component wise profitability analysis
4.6 Profitability Performance ; Ratio analysis
5 Influencing Factors on Profitability , An empirical diagnosis

Chapter - 6 : Productivity in Public Sector Banks : An Analysis

1. Introduction
2. Definition & measuring tools
3 Productivity Analysis
3.1 Bank groupwise classification
3.2 Bank wise classification
3.3 Analysis of cost Responsiveness & Return on working Fund
4. Bank’s Productivity in Barak valley , An Empirical Analysis
4.1 Labour Productivity
4.2 Branch Productivity
4.3 Bankwise Performance
5. Interrelationship between Per Employee income, Expenditure and Productivity :
6. Cost Responsiveness Vs Productivity
Chapter - 7 : Non-Performing Assets : Nature and Trends-
A critical Assessment. 144
1. Introduction 144
2. Definition of Non-Performing Assets 145
3. Calculation of NPAs 146
4. Accounting Practices of NPAs 148
5. Capital Adequacy Ratio 150
5.1. Bank wise Achievement of capital adequacy Ratio 152
6. Magnitude of NPAs 153
7. Frequency Distribution of NPAs 156
8. Sector wise NPAs 157
9. Bank wise classification of NPAs 160
10. Measures for Recovery of NPAs 161
   (a) Debt. Recovery Tribunal and Recovery of Debt 161
   (b) Asset Reconstruction companies and Recovery of Debt 163
   (c) Securitization and Reconstruction of Financial Assets and enforcement of security Interest (SRFAESI) Act, 2002. 165
       Implication of ARC and Securitization Act. 2002 166
       Tax implication 169
   (d) Lok Adalats 170
   (e) Circulation of information on defaulters 170
   (f) Corporate Debt Restructuring (CDR) 170
11. Empirical study : Analysis of data 171
   A. Recovery performance of banks 172
   B. Nature of NPAs in the study area 173
   C. Bank wise NPAs level 175
   D. Component wise growth of NPAs 176
   E. Interrelationship between growth of advances and growth of NPAs 177

Chapter - 8. Asset liability Management in the Banks :
An Overview 179
1. Introduction 179
   Section I 179
   Intricacies of ALM. 179
2. Objective of ALM. 181
3. Need of Risk Management by banks 181
4. Risks and its nature 182
5. Categories of Risks 182
6. Basel Accord Regarding Risk 186
7. The Asset liability Management Committee 188
8. (a) Management of Risks 191
   (b) Risk Management and RBI Guideline 192
9. Techniques of Risk Management 195
   Section – II 198
10. Emergence of ALM 198
    Need for ALM 198
    Section – III 199
    Structural Changes of Variables in the Post Reform Period 199
    CRAMEL Analysis 203
Chapter – 9 : Customer Services of Public Sector Banks ;
An Empirical Investigation

1. Introduction 213
2. Objectives 216
3. Sample Design 217
4. Methodology 219
5. The analysis 220
5.1. Principal factors 220
5.2. The Results of factor analysis 222
5.3. Determinants of customers satisfaction level and their Ranking 223
5.4. The variable wise satisfaction level 225
5.5. Respondents Perception ; Urban Vs Rural 227
6. Over all observation 229
7. The areas need immediate Intervension 230

Chapter-10. Epilogue
The background 232
The Findings 235
Hypothesis verification 238
Suggestions 248

Bibliography
Books 257
Articles and Research Papers 261
Reports and Official Publications 273
Journals and Periodicals 275
