Moments come into life when words become ineffable to express the deepest sense of feelings. It is almost impossible to express deepest sense of gratitude to all without whose heartfelt inspiration and genuine help, my research would have been incomplete.

I take this opportunity to explicitly express my deep sense of gratitude and hearty devotion to the Principal Supervisor, Dr. P. S. Munsi, Prof. of Horticulture, Dept. of Crop Improvement, Horticulture and Agricultural Botany, (CIHAB), Palli Sikṣa Bhavana (Institute of Agriculture), Visva Bharati, Sriniketan, West Bengal who provided me his meticulous guidance, supervision, prolific discussion and healthy criticism during the course of my investigation and preparation of this manuscript. I simply feel myself blessed being provided with an academic advisor like him. Above all his positive attitude towards my abilities, made the achievements of this goal a challenging, enjoyable, rewarding and stimulating experience.

I find no appropriate words to express my fathomless obligation to my Joint Supervisor Dr. P. Mahapatra, Prof. & Head, Dept. of Vegetable Science, CA, OUA'T, Bhubaneswar, Odisha for his peerless tutelage and generous advice during the course of my endeavour.

With a profound and unfading gratitude, I am eager to express my heartfelt gratefulness to Dr. S.K. Pattanayak, Prof., Dept. of Soil Science and Agricultural Chemistry, Dr. S. Mohanty, Prof., Dept. of Soil Science and Agricultural Chemistry, Dr. D.N.Singh, Prof. Dept. of Fruit Science, CA, OUA'T, Bhubaneswar and Dr. P. C. Lenka Prof. & Head Dept. of Fruit Science, CA, OUA'T, BBSR, for being aside at every step of my research right from field experimentation, laboratory analyses, till preparation of the manuscript with their untiring attention, worthwhile suggestion, unstinted cooperation and constructive criticism.

I would like to express my thankfulness to all my revered teachers and staffs of the Department of CIHAB, Palli Sikṣa Bhavana (Institute of Agriculture), Visva Bharati, Sriniketan for their prudent inspiration during the course of study.

I am also grateful to the Principal, Palli Sikṣa Bhavana (Institute of Agriculture), Visva Bharati, Sriniketan for providing me an opportunity to carry out the research work.

I sincerely express my appreciation for Dr. M.C. Patnaik, Ex- Prof. & Head, Dept. of Seed Science and Technology, CA, OUA'T, Bhubaneswar, Dr. L.M. Garnayak, Prof., Dept. of Agronomy, Dr. P.K. Roul, Associate Director of Research, RKFTS, Keonjhar, Odisha, and my colleagues at Krishi Vigyan Kendra, Keonjhar for their ungrudging help and inspiration during the course of study.

The laboratory assistance rendered by AINP on Biofertilizer, ICAR is duly acknowledged.
My sincere thanks are due to Mr. G.P. Mohanty, Rabibabu and Prafulla of Dept. of Soil Science and Agricultural Chemistry for their cordial support and cooperation.

I express my thanks to all non-teaching staff of KVK and RRTIS especially Patra bahu for their cooperation and for providing all the small but indispensable necessities at each step of my research work.

I am highly obliged to Orissa University of Agriculture & Technology, Bhubaneswar for allowing me to continue my Ph.D. study at Palli Siksha Bhavana, (Institute of Agriculture), Visva Bharati, Sriniketan.

I owe a deep sense of gratitude to my sister, brother-in-law, and younger brother Sushil, sister-in-law, Pallavi for their uninterrupted, persistence inspiration and good will which have brought about my glaring success in my work.

I highly appreciate the love & affection of my nephew & nieces - Richi, Kanha & Mihika whose smile not only added pleasure but also acted as a catalyst to revitalize my spirit and enthusiasm.

I convey my hearty and affectionate acknowledgement to my loving wife, Sasmita and my daughter, Sonakshi for their loving attitude, affection, speechless inspiration, constant encouragement & dedication towards me in nursing and giving solace during my exhaustive moments.

Words run short to express my earnest gratitude to my beloved maternal grandmother, Bapa-Bou, Parents-in-law and to all the teachers I came across whose blessings & persistence inspiration have elevated me in shaping my educational career and bringing me to this stage of success.

I sincerely commemorate the help rendered by my most loving, cherished, & foster friends Gyana, Sunil, Subash, Bijay, Ajish, Sanjukta didi, Uma, Satyajit Bhai, Jibanjit, Prasant Bhai, Saswati & Monika during the course.

My special thanks are due to Sri A.T. Kar for preparing this manuscript neatly to the tune of my expectation.

Last but not the least, I wish to express my appreciation and gratefulness to one and all who had helped me in any manner for completion of this dissertation.

At length, I pay my obeisance at the lotus feet of “Lord Jagannath” to bless me to be dedicated for the cause of farming community of my state.
